

Navigation Hubs

ABOUT NAVIGATION HUBS

Navigation Hubs in New Haven consists of service providers working together to provide tangible, accessible, and quality resources that meet basic needs of unsheltered or unstably housed individuals. These hubs connect people in crisis with meals, showers, laundry, health and wellness care, housing navigation, transportation, employment, educational opportunities, and spiritual support. These hubs are located in key areas of the city.

One Stop Pop-up Mobile Initiative:

The One Stop Pop-up is a mobile initiative that provides mobile shower services, health care, harm reduction services and access to case management services for unsheltered individuals within the City of New Haven. The goal of this initiative is to connect people experiencing unsheltered homelessness to health and housing resources. The One Stop Pop-up is a collaboration between the City of New Haven Office of Housing & Homelessness, the Yale Community Health Care Van, Cornell Scott Hill Health Center- Street Medicine Team, Liberty Community Services, Power in a Shower, and Una Iglesia para la Ciudad. The One Stop Pop-up visits three areas of the city weekly.
