ITEM 3: ADMINISTRATIVE MATTERS:

A. YEAR END GASB 67/68 REPORTING

Re: Actuarial charges, Rich Sych (H&H) presents

The issue is the mortality table, recent change just came out, that was not reflected in last valuation because it was not available. Experience study this year, but auditors may require the change before the study is done and implemented. There could potentially be an extra \$2,500 cost to satisfy the City auditors, due to the mortality table.

MOTION: Made by Trustee Cannon for H & H to check with auditors to determine what version to follow and to accept the \$2500 fee, if necessary.

MOTION SECONDED: by Trustee Nunez Jr.

MOTION CARRIED: by unanimous vote

B. UPDATE ON PAYMENT OF ADMINISTRATIVE EXPENSES

Carolyn Kone suggested a process to be followed which was discussed by a small group which included H&H, Corp Counsel, Michael Gormany, Jerry Sagnella and Leanna Ambersley. The amount from the H&H valuation report, that includes expenses from the board up to June 30th, plus an inflation factor, would be presented to the board the following January, with an itemization of what those expenses were. If it were acceptable to the board, it would go to the Mayor's office, it would be included in the budget and attach to the Board of Alders, to be adopted as part of the budget. This would be the procedure every year. H&H's report is completed in December of each year. It is a projection of expenses for upcoming fiscal years based

on what has been paid in prior fiscal year, plus an inflation factor. The Trustees requested a written process for next meeting so that they can review.

MOTION: Made by Trustee Ribeiro to table item 3B

MOTION SECONDED: by Trustee Cannon

MOTION CARRIED: by unanimous vote

C. ROBBINS GELLER RUDMAN & DOWD LLP REPORT (Information only)

Laura Stein and Bill Cavanagh present

Laura Stein and Bill Cavanagh present to the Trustees that they currently are a reporting service, not recovery. Cost-free, information only, alerting of situations of securities fraud.

D. NORTHERN TRUST RESOLUTION

Northern Trust, the custodian bank of the payment of benefits, requires who is authorized to give direction to whom is to be paid and what payments should be made. They require the resolution of the board listing those people, they also require a resolution of the board of who are the authenticators (authenticators are people northern trust calls when northern trust has a question to whether or not the people are authorized to tell them what to do are acting properly). This resolution is to be updated when there are changes to staff.

MOTION: Made by Trustee Nunez Jr. to approve the authorization of the designators and authenticators

MOTION SECONDED: by Trustee Ribeiro

MOTION CARRIED: by unanimous vote

E. UPDATE ON GROUP FORM TO CONSIDER CRITERIA TO WAIVE INCOME EARNINGS CAP (Information Only)

Carolyn Kone discusses: a small group was formed that included the Mayor, Trustee McDermott, Trustee Cannon, Leanna Ambersley, and Corp Counsel to discuss what criteria should be considered by the board when determining when the income cap should be waived. There is a provision that retirees who have fewer than 13 years of service, under the age of 65, on a disability pension, can request the income cap on their earnings to be waived. Trustee Cousin requests all of the Trustees are made aware ahead of time that such conversations are happening. When this is brought to the board for a vote, it is best to have it in writing as a clear example to see what they are voting on. More discussions need to be had.
