Re: Officer Jason Bandy

Dear Ms. Ambersley,

Officer Jason Bandy has applied for a service-connected disability. It is under the discretion and authority of the Pension Board to waive the income cap provision and determine whether the service-connected injuries as stated in the attached led to Officer Bandy's retirement.

It is my obligation to confirm that based on the attached, I can certify that the incident did occur while the Officer was on duty and falls within the meaning of Article XV, Section 1(S) 4 of the collective bargaining agreement.

Please inform me of the Board's determination

Sincerely,

Otoniel Reyes, Chief of Police
