	E12	Bonus for Police Laterals	As of 8/31, the NHPD has 319 filled positions from the 406 budgeted. 49 of those vacancies are in the rank of Police Officer - the backbone of the City's patrol. New Haven loses on average 23 officers a year to retirement and/or exiting the city while recent years have seen the department recruit new cadets, they are only able to replace what is leaving. The funding request would allow the NHPD to target up to a \$10,000 sign-on bonus (based on BOA approval guidelines) for up to 40-lateral hires from CT police departments. The City has been engaged with the recruitment of and hiring of lateral officers since 2019. Each lateral hire that would be awarded a sign-on bonus would save the City approximately \$22,000 each as opposed to the cost of a cadet going through the academy. All later hires must meet the criteria established by the New Haven Board of Police Commissioners and City of New Haven.	0	0	0	0

201-Police	GF	12011010-56694	200.00	Detective Christopher Stroschio	December 6-10, 2021	Basic Interview and Interrogation	Meriden, CT	The program is designed to provide investigators with proven techniques that can be applied in various accusatory and non-accusatory interview situations. Participants will develop skills in preparing for the interrogation with a "game plan" which will emphasize a proactive, rather than a reactive role. The program includes up-to-date information on the legal aspects of interrogation and admissibility of the confession into court. Students are constantly challenged to perform and respond in both formal and informal role play situations to demonstrate mastery of the techniques.

Special Fund Expenditure and Revenue Projection Explanation

Please note that the Special Fund expenditure and revenue projections contained in this report are estimates based upon preliminary information received by City Departments from potential Granting Agencies. Budgets reported for Fiscal Year 2021-2022 may reflect anticipated new awards that have not yet been approved by the funding agency or Board of Alders. Funding will become available for use only after awards have been approved for acceptance by the Board of Alders and after grant agreements have been executed. Once all approvals are in place, the budgets will be entered on the City's financial accounting system, MUNIS.

Deficit Explanation

The Agencies listed below have significant budget variances that we feel warrant an explanation.

- No deficits are currently projected.

Surplus Explanation

- If a large surplus exists in a special fund, it is usually the result of a multi-year award that is partially complete. Multi year awards are based on the completion of a project or for the operation of a particular program that extends beyond the City's fiscal year. Any remaining balances for multi-year awards will be made available in the following fiscal year or until the grant period has ended.
