PREAMBLE

The conduct of those who govern the New Haven City Employees' Retirement Fund ("CERF") pension plan significantly impacts the lives of the participants and survivors who are dependent on their pensions for their retirement income. Consequently, it is critical that this pension plan is overseen by a strong, well-functioning governing body in accordance with fundamental ethical principles of honesty, integrity, independence, fairness, openness, and competence. For the purposes of this document, CERF is referred to as the "Plan" or "Fund" and the individuals who serve on the governing body of the Plan or Fund are referred to as "Fund Trustees." These and other capitalized terms used in this document are defined in Article I.

Fund Trustees are required to adhere to the Code of Ethical Standards and Conduct (the "Code") when carrying out their duties to the Plan. The creation, adoption and implementation of the Code demonstrate the Fund Trustees' commitment to serving the best interests of Plan members and beneficiaries. The Code provides guidance to the Fund Trustees regarding their individual duties and responsibilities and is intended to supplement, rather than to replace, the overall policies and procedures established for the governance of the Plan.

Fund Trustees bear the fiduciary responsibilities for overseeing the administration of benefits as well as the Plan's investment decision-making process. All of the principles outlined in the Code apply equally to the Fund Trustees' duties in each of these roles. The Fund Trustees of the Plan are mindful of the positions of trust and confidence they hold. They adopt the Code to ensure the proper administration of the Plan and to foster unquestioned public confidence in their institutional integrity as prudent fiduciaries of a public pension system.

Where applicable, the Code addresses ethical standards and expectations that are to be adhered to by the Fund's Administrative Staff as well as by Service Providers, whether individuals or entities, who have been retained by the Fund, including, but not limited to Investment Financial Consultants, the Fund Actuary and Fund Counsel.

Nothing in the Code shall exempt any Fund Trustee or Administrative Staff member from applicable provisions of any other laws. The standards of conduct set forth in this statement are in addition to those prescribed in applicable laws and rules and/or in the governing documents of the Plan. The Code shall be interpreted and applied in a manner consistent with the Connecticut Uniform Prudent Investor Act of 1997, any and all additional pertinent Connecticut state statutes, the Internal Revenue Code and regulations, any and all additional pertinent federal laws, applicable City of New Haven local ordinances and Charter provisions, and applicable collective bargaining unit provisions, as such items may be amended from time to time.

Violations of the Code will be handled in accordance with the provisions of Article XIII.

Section 1 - Policy

Each Fund Trustee and Administrative Staff must endeavor to avoid actual and potential conflicts of interest between their duties with respect to the Plan and other personal or outside interests.

Fund Trustees must strive to avoid even the appearance of impropriety. Outside duties or responsibilities should not influence decisions because the Fund Trustees are required to act solely in the interests of the Plan Participants. When acting in the role of a Fund Trustee, each Trustee must take great care to put his or her duties to the Plan above any loyalty to the Plan Sponsor or a particular labor union and must not allow political interests, philosophy, or political party loyalty to influence decisions made on behalf of the Plan.

Section 4 - Nepotism

Fund Trustees and Administrative Staff are prohibited from participating in Fund matters in which a member of the Immediate Family of the Fund Trustee or Administrative Staff has a personal, managerial or substantial financial interest. A "substantial financial interest" exists if the personal financial effect of the Fund matter on the Immediate Family member would be \$250 or more in a 12-month period and that effect is particular to the Immediate Family member, as opposed to affecting a much larger group. This section shall not prohibit a Fund Trustee or Administrative Staff from participating in a Fund matter solely because an Immediate Family member of the Fund Trustee or Administrative Staff is employed by a Person doing business or seeking to do business with the Fund, provided that the Immediate Family Member does not work directly with the representative of the Person who has direct contact with the Fund.

Section 5 - Undue Influence

The policy applies to Fund Trustees, Administrative Staff and Service Providers engaged by the Fund. The prohibition on Insider Trading and Front Running continues to apply even after resignation as a Fund Trustee or termination of employment until such time, if ever, the information becomes generally available to the public other than through disclosure by or through the Fund Trustees, Administrative Staff or Service Providers.

ARTICLE VI - SKILL, COMPETENCE, AND DILIGENCE REQUIRED

Section 1 - Knowledgeable Trustees

The Duty of Prudence as set forth in Article II above requires the Fund Trustees to be knowledgeable about the matters and duties with which they have been entrusted and/or to retain the services of experts to advise them about such matters.

Section 2 – Selection and Monitoring of Service Providers

Service Providers are to be selected through a request for proposal process which may be conducted by the City's Purchasing Division. If the Board of Trustees determines that there are special circumstances and that it is in the best interests of the Fund, a Service Provider may be retained by the Fund without the necessity of undertaking a request for proposal process. Trustees shall periodically issue requests for proposals for each of the Plan's Service Providers, except as heretofore provided. Following the termination or expiration of the Fund's agreement with a Service Provider, if the Board of Trustees intends to issue a request for proposal for the services that the Service Provider has provided, the Service Provider may be retained for up to one (1) year in order to permit the Board of Trustees to issue a new request for proposal and select a Person to provide the services that the Service Provider had been providing in an orderly fashion.

In general, each contract with a Service Provider must contain a provision allowing the Fund Trustees to terminate the contract for any reason after providing thirty (30) days' notice.

Service Providers shall be provided with a copy of the Code, and Fund Trustees shall require in its contracts with Service Providers or otherwise, if possible, that the Service Providers they retain, comply with the Code and with the codes of ethics and conduct

applicable to their professions (whichever has the more stringent requirements) and with all Federal and State laws and regulations that govern the provision of their services. Failure to comply with and abide by the Code, a Service Provider's own code of ethics and/or with all applicable laws and regulations may result in termination of the Service Provider's contract.

a) Fund Actuary

The Fund Actuary shall perform its required functions in a completely impartial and transparent manner which represents the best financial interest of the Plan. All actuarial discussions regarding the development of the LTROR and calculation of the ADEC will be conducted with the Plan Sponsor and the Fund Trustees simultaneously in a collaborative process at a public meeting or in Executive Session, if permitted by the FOIA. The Fund Actuary is prohibited from any form of discussion, interaction or strategizing with the City, any Fund Trustee, the Pension Administrator, or any representative of a collective bargaining unit whose members are Plan Participants about any proposed or actual LTROR or ADEC in separate and/or private communications which do not include the Plan Sponsor and the Fund Trustees, provided, however, that this prohibition shall not apply to a request for information by any Person to the Fund Actuary for purposes unrelated to the calculation of the LTROR or the ADEC, such as information required for the City bonding process, audits of the Fund, possible changes to provisions of the Plan, or for the calculation of benefits for Plan Participants.

b) Investment Financial Consultant

The role of the Investment Financial Consultant is primarily to assist the Fund Trustees with the development and maintenance of a written Investment Policy Statement and to advise them on appropriate investments for the Plan in order to provide Plan Participants with benefit payments. Specific activities involve recommending an overall asset investment allocation policy, researching the financial markets for suitable products and investment funds; conducting searches for Money Managers, recommending investment options for Fund Trustees to choose from and implement; calculating and reviewing the structure, value and performance of the Fund; and providing regular reports to the Fund Trustees.

The Investment Financial Consultant must evaluate the performance of the Fund's Money Managers for adequacy of performance and offer recommendations for heightened review and scrutiny on a watch status for subpar performance and possible termination by the Fund Trustees. To this end, it is vital that the Fund Trustees ensure that the Investment Financial Consultant performs these responsibilities in a fair and equitable manner without any form of allegiance to the Money Managers. Investment Financial Consultants are expressly forbidden to seek or accept Gifts from the Money Managers whose performance and efficiency they are to objectively evaluate.

The Investment Financial Consultant also is prohibited from becoming a Money Manager, seeking to establish an affiliate working relationship with a current or prospective Money Manager and/or deriving any form of financial enrichment from the Fund Money Managers (pecuniary, cash, in-kind, favors, entertainment, gifts, honoraria, line of credit, or any gratuitous act which has or can be converted to cash value) which might affect the Investment Financial Consultant's ability to perform objective and impartial performance evaluations of the Fund Money Managers. Notwithstanding the foregoing, an Investment Financial Consultant who (i) enters into a subadvisory agreement with an unaffiliated Money Manager or (ii) enters into a subadvisory agreement with an affiliate which in turn enters into a subadvisory agreement with an unaffiliated Money Manager and in connection with such subadvisory agreement exercises discretion in the purchase and sale of a portfolio of securities recommended by the Money Manager shall not be considered to be in violation of this Code even if the Investment Financial Advisor receives a fee for exercising such discretion.

The Investment Financial Consultant may, in addition to its delineated duties, provide custodial services to the Fund.

c) Fund Counsel

The level of expertise to competently serve as public pension fund counsel is highly specialized. The expertise required is tax-related, transaction-related, and benefits-related, highly regulated at the federal and state level, and requires significant litigation management skills. Fund Counsel is required to assist the Fund Trustees in competently satisfying their fiduciary responsibilities in a cogent and timely fashion as an expert in legal issues impacting the Plan.

Fund Counsel shall represent the interests of the Fund and the Plan Participants only and not those of any of the individual Fund Trustees, the Plan Sponsor, Administrative Staff, or the unions whose members are Plan Participants. Fund Trustees must require that Fund Counsel provides its services in a manner which is not biased for the City as Plan Sponsor, or biased for or against a particular Fund Trustee, a Plan Participant or a union that has a collective bargaining agreement with the City. Fund Counsel should not represent the City, any Fund Trustee, any collective bargaining unit that has a collective bargaining agreement with the City, any Administrative Staff, or any Service Provider in any matter, or any Plan Participant in any matter involving the Fund or a Fund Trustee.

d) Fund Medical Consultant

To properly administer the disability retirement provisions of the Plan, the Fund Trustees require the impartial and unbiased professional services of the Fund Medical Consultant to perform medical evaluations of Plan Participants who have applied for disability benefits from the Fund. The Fund Medical Consultant also conducts reexaminations of disability retirees to the extent required by the Plan.

To permit Fund Trustees to discharge their fiduciary duties to act with care, skill, prudence and diligence and to ensure that all Fund Trustees members have a full understanding of the issues facing the Plan, the Board of Trustees will make available to the Fund Trustees orientation, ethics training and fiduciary education sessions, appropriate periodicals, and pertinent seminars, and Fund Trustees will be expected to attend periodic educational courses and read such periodicals.

If practicable, a Fund Trustee who wishes to attend a training seminar shall inform the Board of Trustees of such attendance prior to the date of the seminar. If the total cost associated with attendance at a seminar is expected to exceed \$5,000, Board of Trustees approval is required prior to attendance. The items of expense and the maximum monetary limitations on reimbursement of such items (if any) by the Fund are described in the City of New Haven Travel Policy, as that policy may be amended from time to time, which policy is incorporated herein by reference. Certain items of expense, such as registration fees, lodging and air travel, can be paid directly by the Fund in advance of the Trustee's attendance at the conference, provided that the Trustee submits a request for such direct payment on the Trustee Request for Expense Reimbursement Form together with brochures, conference forms and other documentation showing the requested costs. No later than 10 days after a Fund Trustee returns from attending a conference, the Fund Trustee shall submit to the Pension Administrator for approval by the Board of Trustees a final Trustee Request for Expense Reimbursement Form (even if the Fund Trustee had submitted a prior Trustee Request for Expense Reimbursement Form). The final Trustee Request for Expense Reimbursement Form shall include a copy of the conference brochure, receipts for lodging, receipts for transportation, including car rentals, parking, taxis and ride sharing services, and if the Fund Trustee used his or her personal vehicle, the odometer readings from the vehicle, receipts for checked luggage, and meal receipts. ARTICLE VIII – GIFTS AND PAYMENTS BY THIRD PARTIES

Section 1 - Application of Policy

Nothing in this policy supersedes any applicable provision of federal, state or local law. Service Providers and Money Managers may also have reporting requirements under federal, state or local law.

Fund Trustees and Administrative Staff are encouraged to confer with the Plan Administrator or Fund Counsel if they have questions concerning compliance with this Article.

Section 2 - Limitations and Disclosures for Gifts

Fund Trustees and Administrative Staff are prohibited from knowingly or intentionally accepting any Gift (as defined in Article I) from any Person who is seeking to do business or who is doing business with the Fund.

Fund Trustees and Administrative Staff shall disclose all Gifts received to the Board of Trustees on a form to be provided by Administrative Staff within 90 days of receipt of the Gift.

Section 3 - Interpretation of the Policy

In cases in which there is uncertainty whether a disclosure should be made pursuant to the Code, this Code shall be interpreted to require disclosure.

ARTICLE IX –MONEY MANAGERS

Section 1 - Selection and Monitoring of Money Managers

Fund Trustees are responsible for establishing and maintaining a written Investment Policy and investing the Fund assets in accordance with such policy. Fund Trustees may hire Money Managers to manage certain Fund assets in accordance with the Investment Policy. In keeping with the Fund Trustees' fiduciary responsibilities and to insure integrity in the hiring process, due diligence must be utilized in the search, deliberation and selection of Money Managers. Accordingly, the Board of Trustees is required to consider at least three Money Manager candidates when selecting a Money Manager to manage a portfolio or an investment fund, except if three qualified candidates are not available for consideration.

During the selection process, Fund Trustees shall require that Money Manager candidates disclose to the Board of Trustees any investigations or disciplinary action by the United States Securities and Exchange Commission or other regulatory agencies or quasi-regulatory authorities that are currently pending or that have occurred in the prior five years.

The Fund Trustees shall require that a Money Manager selected by the Board of Trustees which is not on a platform of the Fund's Investment Financial Consultant submit its proposed contract to the Board of Trustees for review by Fund Counsel. Fund Counsel will inform the Pension Administrator of concerns with the contract, make recommendations for revisions to the contract and inform the Pension Administrator of the status of contract negotiations. If the contract revisions recommended by Fund Counsel are not accepted by the Money Manager, Fund Counsel will inform the Board of Trustees of the areas of dispute, and the Fund Trustees will determine whether or not the contract should be consummated.

Review by Fund Counsel shall not be required for any Money Manager selected through a platform where vetting and due diligence services are performed by the Investment Financial Consultant or its affiliates under a service contract that has been approved by the Fund Trustees.

All contracts between Money Managers who manage pools of investments outside the traditional format of a separately managed account and the Fund shall seek to contain a contractual provision which requires the Money Manager to provide the Plan Administrator by November 1st of each year with a final audited accounting of Fund assets held by the Money Manager from July 1 of the previous year through June 30 of the current year (a fiscal year) which is required by the City's independent auditors.

Fund Trustees must monitor Money Manager performance relative to the Fund's Investment Policy Statement on a regular basis.

Section 2 - Communications During Evaluation Period

- a) During the “Evaluation Period”, no Fund Trustee shall communicate with any party who is financially interested in the transaction, nor any officer or employee of that party concerning any matter relating to the transaction or its evaluation. The “Evaluation Period” with respect to a prospective Money Manager commences when the Board votes to search for a Money Manager in a particular asset class and ends when the Board votes to approve the hiring of a particular Money Manager for investment in that asset class. The Board of Trustees shall, through the Investment Financial Consultant, advise Money Manager candidates of this communication prohibition. If a Fund Trustee is contacted by a prospective Money Manager (or its agent or representative) during the Evaluation Period, the Fund Trustee shall refer the Money Manager to the Investment Financial Consultant or to the Pension Administrator, but shall not otherwise engage in communication with the prospective Money Manager or its agents or representatives.
- b) The foregoing prohibition does not apply to communications that: (i) are part of a noticed Fund Trustees’ meeting; (ii) are incidental, exclusively social, and do not involve the Fund or its business, or the Fund Trustees or Administrative Staff in their official capacities; or, (iii) do not involve the Fund or its business and are within the scope of the Fund Trustees or Administrative Staff’s private business or public office wholly unrelated to the Fund.
- c) Any Fund Trustee who participates in a communication subject to this policy, which is not described under (b) above, has the obligation to disclose the communication to the other Fund Trustees and to Fund Counsel prior to the Fund Trustees’ action on the prospective transaction. The disclosure must be in writing and disclose the date and location of the communication and the substance of the matters discussed. It must be submitted no later than five (5) working days prior to the noticed Fund Trustees’ meeting at which the investment transaction is being considered, unless the communication occurs less than five (5) working days before the noticed Fund Trustees’ meeting, in which case the writing must be submitted immediately after the communication occurs. The communications disclosed under this section will be disclosed at the meeting of the Fund Trustees at which the transaction is considered.
- d) Consistent with their fiduciary duties, the Fund Trustees will determine the appropriate remedy for any communication prohibited by this Section, including, but not limited to, outright rejection of the prospective investment transaction.

ARTICLE X – FEES

Fees are one of several factors fiduciaries need to consider in selecting Service Providers, Money Managers and Plan investments. In general, Fund Trustees must ensure that fees paid to current or prospective Money Managers are "reasonable." During the selection process, the Board of Trustees should inquire of prospective Money Managers whether they anticipate receiving any payments from third parties if they are selected to provide investment services to the Fund. After careful evaluation of the fees of a Money Manager during the selection process for the Money Manager, the Fund Trustees, in conjunction with the Investment Financial Consultant, should monitor all related fees and expenses to determine whether they continue to be reasonable and whether they are consistent with the contract with the Money Manager and representations made to the Board of Trustees during the selection process.

In comparing estimates of fees from prospective Service Providers, the Fund Trustees must consider which services are covered by flat fees and which are not in order to compute the total fees of a proposed Service Provider.

There also may be other related charges for services offered by a Service Provider.

The Fund Trustees shall request that the Investment Financial Consultant provide to the Fund Trustees on a quarterly basis a comprehensive accounting of all fees and charges that are "auto debited" directly to Fund accounts on separately managed accounts. In addition, the Fund Trustees shall review and approve for payment on a monthly basis all other bills.

ARTICLE XI - THIRD PARTY FEES

Section 1 – Definition

During the competitive review process of prospective Money Managers and prior to the consummation of a contract with a selected Money Manager, the Fund Trustees shall make best efforts to obtain from a prospective Money Manager with whom it intends to enter into a contract disclosures in writing of all third party fees attributable to its engagement by the Fund. Such disclosure shall be in substantially the same form as the form set forth in regulations of Connecticut State Agencies relating to contracts for investment services with the Office of the Treasurer as set forth in Appendix B-2.

For purposes of this section, "third party fees" includes, but is not limited to, management fees, finder's fees, placement agent fees, solicitation fees, referral fees, promotion fees, introduction or matchmaker fees, and due diligence fees or any such payment to a third party by the Money Manager regardless of who pays the fees

The Board of Trustees shall be informed of any instance in which a prospective Money Manager is unwilling to make the foregoing disclosures and shall take such refusal into

account when deciding whether or not enter into a contract with the prospective Money Manager.

Section 2 - Compliance with Connecticut Statutory Prohibition on Finders Fees

The Fund is subject to Conn. Gen. Stat. §3-13I (attached as Appendix B-1), which prohibits the direct or indirect payment of finder's fees in connection with any investment transaction involving the Fund.

ARTICLE XII - TRUSTEE LIMITATIONS OF POWERS, PURVIEWS AND JURISDICTIONS

Individual Fund Trustees shall not seek to direct the duties or job performance of Administrative Staff. In the event that an individual Fund Trustee believes that an Administrative Staff is not properly performing his or her duties and the problem is reasonably perceived to be of a minor nature, the individual Fund Trustee may bring the perceived performance deficiency to the attention of the Administrative Staff's supervisor. In the event that an individual Fund Trustee reasonably perceives an Administrative Staff's job performance problem to be of a more significant nature, the Fund Trustee may bring the deficiency to the attention of the Board of Trustees, which shall take appropriate corrective action, consistent with the requirements of any applicable collective bargaining agreement.

ARTICLE XIII - VIOLATIONS OF THE CODE

In the event of a finding of a violation of the Code by the Board of Trustees, the Fund Trustees may take any, several or all of the following actions, as appropriate:

- (1) Order the Person violating the Code to cease and desist the violation;
- (2) Order the Person violating the Code to file any report, disclosure, statement or other information required to be filed under the Code, which the Person did not file or to take any other action required under the Code to be taken, which the Person has not taken;
- (3) Issue a written censure of the Person;
- (4) With respect to a Fund Trustee who has violated the Code and who has been appointed by the Mayor, recommend to the Mayor that the Fund Trustee be removed in accordance with the provisions of the Charter of the City of New Haven;
- (5) With respect to an Administrative Staff who has violated the Code, recommend to the supervisor of such Administrative Staff that the Person be disciplined in accordance with the requirements of any applicable

collective bargaining agreement, the Executive Management and Confidential Employee's Manual or any successor employment manual, the Charter, and all applicable laws.

- (6) With respect to a Service Provider, terminate the Person's contract with the Fund if permitted to do so under the terms of such contract;
- (7) With respect to a Fund Trustee elected by the members of the Fund, notify the presidents of all of the collective bargaining units whose members are members of the Fund, the Mayor of the City and the Manager of Human Resources and Benefits for the City of the Fund Trustee's violation and may recommend that they schedule an election for the replacement of the Fund Trustee.
- (8) Take any other action that the Board of Trustees deems appropriate.

The foregoing enforcement actions shall not be construed to limit the rights and remedies of the Fund and their Boards of Trustees to take any additional or other enforcement actions permitted by law and equity.
