This allocation covers the essential services of city employees per the most recent Management Union Local 3144 to provide staff support to the Board of Alders' committees and to accomplish other special projects under deadline. Meetings are held in the evening after regular working hours. It is estimated that this will cover approximately 100 overtime hours over the 12 month period.

attend Nation	Enter below, a detailed justification for this line item budget proposal. This allotment will also allow Board of Alders' delegates and staff to attend National League of Cities Conference and trainings held each year. The NLC meetings take place in November and March						

of each year. Occasionally, throughout the year there are other conferences and trainings for Alders such as those sponsored by the Connecticut Conference of Municipalities and other entities. Both the information disseminated at these sessions and the meetings with other cities' representatives on a national level have proven invaluable to our legislative process.

This account is necessary to continue to advertise public hearings and meetings of the Board of Alders' committees as required by law in the local newspapers. Last year there were 124 committee meetings and numerous working group or other miscellaneous organizational meetings each requiring notice to the public. One of the Board of Alders goals is to increase public participation and awareness of the legislative process and this is enhanced by advertising in multiple publications. As a result of the amendment to the rules of the Board allowing these meeting to be posted in online newspapers this line item remains reduced from previous levels. However due to statutory restrictions to publish certain items in the print edition of the newspaper and the increasing costs to do so it remains level funded for this year.

This account is necessary to duplicate and bind the aldermanic journals. Funding is also required for the printing of miscellaneous items for the Office of Legislative Services and for the 30 alders (stationery, forms, envelopes, flyers, newsletters, et. al.) In addition, this office uses the services of and outside contractor for its volume copying needs. The Board also provides one ward wide mailing for each alder . The allotment also covers essential materials for the aldermen: copies of the Charter, Zoning Code, Code of Ordinances, Robert's Rules of Order, draft charter, maps, printing of legal decisions, etc. in support of the activities of the full board and committee meetings as well as issue research and legislation drafting.

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

This account is necessary for payment of contracts, maintenance agreements, and subscriptions. To broadcast full board meetings on cable television's public access channel, the Board contracts with a provider of this type of service (currently Citizens Cable Coalition and CTV work with this office to produce the meetings.) To broadcast 23 meetings and occasional special meetings in the past the estimated cost based on past figures is \$175 per meeting. This activity works to the goal of the Board of Alders to encourage public information on local government and city issues. Now these meetings are also livestreamed and on youtube and on zoom which has added costs for subscriptions and storage and will also be integrated with legistar for public access

Contractual agreements also provide for legal and expert assistance on retainer (i.e. translators or entities with special expertise such as zoning and contracts) to the Board of Alders on an as needed basis as determined by Board President or Leadership. These allocations are an estimate since it depends on what particular issues arise during the year. There will be a need for counsel for redistricting and charter revision as well as other issues that may arise. Funds will be used for consultants and professional services including but not limited to lawyers, finance professionals, demographers, statisticians, and other staff necessary for the purposes of assisting in the effectuating of charter changes code of ordinance amendments, the Civilian Review Board and related associated training and any implementation assistance for any recommendations needed to implement changes and the Civilian Review Board managing consultants continuing services and for various working groups and taskforces.

This account pays for the yearly maintenance agreements and repairs for all audio visual and office equipment including typewriters, computers, printers, folding machine, tablets, ereading devices, surfaces and the Legistar annual agreement, cell phones et. al.

This account also pays for the subscriptions in the past it included local newspapers, and the annual subscription to the International Municipal Lawyers Association ordinance service in order to keep the Alders and staff current on local, state, and national matters and funds for municode services

City protocol requires that the Board of Alders and the Office of Legislative make provision for ceremonies, receptions, and expressions of sympathy and out of pocket expenses of staff members for committee meetings and board of alders meetings and special occassions and recognition.

In 2021 there 138 meetings. This account covers not only coffee, donuts, bagels, apples, and drinks for late meetings, but also occasional pizza, sandwiches and drinks for early evening meetings as well as food and miscellaneous items for special occasions and events for alders and staff a. It is estimated that on 40 occasions food will be needed for meetings. This fund also includes supporting additional funding for cameras, the

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

Co-op partnership that allows University of New Haven students to gain valuable experience by working for the city's public service departments (CAO, Fire, Police, Emergency Medical Services and Communications departments) within the city of new haven. The public safety cooperative work/education program began in January 2015. In FY 16 the program was expanded from one semester to two. The funding requested for this fiscal year reflects this additional semester but with a reduced number of participants.

year as part of a multi-year subscriber agreement, approved by the Board of Alders on August 3, 2020, with Thomson Reuters, a West Publishing Corporation (a digital legal research resource), commenced September 1, 2020 and expires June 30, 2021 with three (3) one-year options to renew.

This line item also includes annual book subscriptions and annual purchases to the library, mainly updates to existing resources. In addition, the funds requested are used to pay the annual user fees for the Public Access to Court Electronic Records (PACER) system, an electronic public access service AND the E-Filing System to the state & federal judiciary's centralized database. PACER is NOW required by state & federal rules for attorneys practicing in both State & Federal Court.

The funds requested represent the costs required to pay for one professional membership per attorney to bar associations such as the American Bar Association, the New Haven County Bar Association, the Connecticut Bar Association or the Connecticut Association of Municipal Attorneys in accordance with the City Charter. This line item also includes the annual mandatory fee for each attorney to the State of Connecticut Client Security Fund.

In addition, the requested funds represent the costs of training seminars offered to ensure that the attorneys stay informed of new developments and proposed changes in the law. This reflects the new requirement mandated by State of Connecticut Judiciary System for continued legal education in topic fields for the attorneys.

The requested funds are used to pay for fees charged for the services of outside counsel in cases where the City has a duty to provide a defense for itself or for an employee. Outside counsel are also necessary to represent the City and/or an employee in the event of a conflict of interest with the City or the Corporation Counsel's Office. With the increase in case activity due to the courts reopening after COVID-closures, a greater need for the service of outside counsel may be necessary in FT 2022-2023.

The increase in funds requested represent the additional need for services of outside counsel anticipated to defend the City of New Haven in residential and commercial tax appeals as result of the 2021 municipal tax revaluation. Based on prior experience, tax increases as the result of revaluation will lead to an increase in the filing of tax appeals. Additional funds are also needed to represent the City in police misconduct cases due to the retirement of the Senior Assistant Corporation Counsel who had handled these matters in the past.

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

Object Code

The Assessor's Office is dedicatied to offering education and advancement opportunities to its employees, many of whom must maintain specific designations and certifications through the attendance of seminars and continuing education for credit-hours.

It is also imperative that the assessors maintain memberships to the professional organizations and associations of our peers, so as to keep New Haven on par with other large cities, obtain discounts on reference materials, maintain good intra-state working relationships and remain ahead of the curve in regard to new assessment practice and adherence to changing guidelines.

Budget Request JUSTIFICATION Enter below, a detailed justification for this line item budget proposal. This account covers costs for the maintenance of all five buildings. This includes the contract for janitorial services and service agreements for fire alarm systems, HVAC, elevator maintenance, other life safety systems. This funding is also for all general repairs to buildings and fixtures internal and external. The Library had greater than expected costs due to Covid-19 pandemic and the level of cleaning that we committed to to keep community and staff. safe. Moreover, the janitorial services is expected to increase by three percent or to accommodate the livable wage. The Library hopes to address the shortages to the fixed costs that they are experiencing.

This account is used by the Library to update, catalog and maintain its collection of print materials, databases and other resources. This includes but is not limited to: reference materials and online databases for research, periodical subscriptions, newspapers, novels, adult nonfiction, children's books and foreign language and literacy materials.

Costs are related to both the replacement of in-demand, core collection books which are damaged or missing and the ongoing addition of current books to keep the collection topical and up to date.

Enter below, a detailed justification for this line item budget proposal. The purpose of this agency is to receive, record and index all land transaction which take place within the City of New Haven. Mandated by Connecticut General Statutes, it is our responsibility to record and provide suitable indexing systems for all documents received. We must also maintain said indexes and images as well as satisfy the public's needs. Services are rendered on a									

contractual basis. Whenever there is an increase of buying/selling in the housing market, the number of documents recorded in this office can dramatically increase. We also ensure that our records viewed electronically via the internet are current. A Legal Services line has been added.

Enter below, a detailed justification for this line item budget proposal. Funds will be used for interns, temporary staff, and election help as needed. With a staff of five full time employees, we rely on interns to help with the vast amount of records we are required to maintain. We anticipate busy election season and staff away on leave during the peak of election season. With these funds we are able to continue the prompt and efficient service to the public of daily duties during busy election seasons with allotted funds.

Additional overtime needed for staff during local, state, federal and special elections. Overtime hours are necessary to conduct mandatory voter-making sessions, updating and correcting primary and general voting lists, meeting deadlines for printing of both lists, preparing official voting lists for use at all polling places for primaries and elections and compiling supplementary voting lists. (New voters registered after printing deadline and at special enrollment session).

Office staff is required to work additional hours for Primaries, Special Election(s) and General Election days, as mandated by CGS 9-37, 9-53, 9-36, and 9-17.

Additional training sessions will be required along with election related projects.

Duties of two (2) General Registrars of Voters (Deputies, etc.) include travel to convalescent homes, hospitals, elderly housing complexes, factories, high schools and special voter making session sites to enroll new voters; at convalescent homes, take absentee applications and then return, with ballot for supervised balloting. Registrars are required, when requested, to pick up absentee ballots from housebound electors and voters in convalescent homes or rest homes in other towns for delivery to Town Clerk for primaries and elections.

During the period before all elections and primaries, the Registrars are required to visit all polling locations. On Election Day, Registrars must be on call to visit the polling places to investigate and resolve any problems that may arise prior to the opening of the polls and throughout the day.

Also included in this account is money needed to cover mileage to attend conferences, workshops, and meetings called by the Secretary of the State for Registrars and voting machine examiners.

Mandated CGS: 9-6, 9-6a 9-16 9-17, 9-19 1-140b 9-159, 9-159r

The Spring Conference is three days; the Fall Conference is two days. Sec. 9-6 of the Connecticut General Statutes:

"Conferences Called by the Secretary of the State: Each Registrar of Voters, or in his absence, his deputy, shall be compensated by the municipality which he represents, as herein provided, for attending two conferences a year, for town clerks and registrars of voters, which may be called by the Secretary of the State for the purpose of discussing the election laws or election procedures on matters related hereto. Each such official shall be compensated by his municipality at the rate of \$35 per day for attending such conference plus mileage."

BUDGET REQUEST JUSTIFICATION Enter below, a detailed justification for this line item budget proposal.											

Funding is requested for any and all travel/other related expenses for the Chiefs, and the Department. This includes conferences and any training related travel expenses.

Historically, expenses associated with travel have exceeded the budgeted amount in this line, but funds were taken from 12011010-56694. In FY 20, the 12011010-56694 budget was reduced to increase the travel lines, to help the City more easily track travel expenses.

By virtue of their positions, the Chief of Police and the Assistant Chiefs, must be members of several organizations such as the Connecticut Chiefs of Police, International Association of Chiefs of Police ,and subscribe to various periodicals and publications to keep them abreast of current matters related to the performance of their duties.

We also need funding to continue staff membership and conference registration for organizations which provide continuous specialized training and updates in the field of crime prevention and community policing opportunities.

Anticipated expenses related to Registrations, Subscriptions and Dues: IACP, CPCA, NESPIN, PERF, FBI LEEDA, FBI, COPSA, SCCJA, and SCCOP.

New Haven has a long standing commitment to supporting the South Central Criminal Justice Administration and its various projects from which New Haven benefits. Funding requested covers the membership assessment and SCCOP scan channel maintenance fees.

Funds are being requested for part-time help for the NHPD including but not limited to internships for those interested in becoming New Haven Police Officers. The New Haven Police Department strives to recruit as many people from the community to be police officers as possible. Funding for this budget line is requested as part of an ongoing mentorship/job pipeline opportunity for youth to connect with NHPD Officers starting with the PAL and continuing through the Explorers/Junion Cadet Program and finally to a paid internship at the NHPD, where hopefully these individuals who have shown an interest in policework will go on to apply for the position of Police Officer for the City of New Haven.

This request and goal aligns with Public Act 20-1 An Act Concerning Police Accountability which requires the following:

"If a law enforcement unit serves a community with a relatively high concentration of minority residents, the unit shall make efforts to recruit, retain and promote minority police officers so that the racial and ethnic diversity of such unit is representative of such community. Such efforts may include, but are not limited to: (1) Efforts to attract young persons from the community such unit serves to careers in law enforcement through enrollment and participation in police athletic leagues in which police officers support young persons of the community through mentoring, sports, education and by fostering a positive relationship between such persons and police officers, the implementation of explorer programs and cadet units and support for public safety academies;"

This budget line is re	quested to cover a va	riety of expenses, in	cluding but not limite	d to, the following:			
Rent for 2 Substatior	ns: Whalley Avenue a	nd Bella Vista					
There are several medical exams the department is required to provide either due to labor union agreements, state law or department rule: Random drug testing for Elm City Local Police Union, Drug Testing per State of CT Public Act 20-1 An Act Concerning Police Accountability and other exams/testing as needed such as fitness for duty exams, lead testing, etc. The Police union contract requires the Department reimburse officers, upon approval from the Board of Police Commissioners, for personal items damaged in the line of duty up to a maximum of \$250. Meals/snacks/water may be required for occasions such as visiting dignitaries, committee meetings, training sessions, etc. and for extended police details/operations where employees are not permitted to take breaks. The Police Department, in accordance with the Department's General Orders, aims to hold annual award ceremonies and other award ceremonies in line with the Department's and Police Accountability Act's goal of retaining officers. Expenses include but are not limited to, recognition plaques, medals and certificates, booklets, food and venue. Due to the pandemic the PD has not be able to hold the annual award ceremony. Costs have varied over the years. FedEx Transcription Services for the Board of Police Commissioners meetings Transcription Services for Investigative Services Unit and Internal Affairs interviews							
Public Act 20-1 An Act Concerning Police Accountability requires police departments to attain The Commission on Accreditation for Law Enforcement Agencies (CALEA) accreditation. The first step of the accreditation is to enroll and start the Self Assessment Phase. The Self-Assessment phase costs \$16,125. Upon completion of the Self-Assessment (0-3 years) there is an initial fee of \$5,580 and then an annual continuation fee of \$5,000. (\$16,125 - \$21,125) An increase is requested in this line for FY 22-23 to cover new expenses required by Public Act 20-1 An Act Concerning Police Accountability and to cover the increased costs for services and commodities we have been seeing since the onset of the pandemic.

role models for New Haven's youth by guiding them in educational and recreational programs and activities. Expenses for these programs include, but are not limited to, membership dues, travel expenses, and activity fees. Police sponsored clubs and tournaments, to include but not limited to; any sport games/programs including attending games, junior police activities, swim programs, jiu-jitsu, judo, tutoring, track meets and all other opportunities for New Haven children who might not otherwise have these experiences. Funds are requested to supply new and replacement uniforms for the junior police program participants, as well as, any activities, programs, and sports. Uniforms are important to the youth in establishing pride and a sense of identity.

Public Act No. 20-1 An Act Concerning Police Accountability requires that law enforcement units "make efforts to recruit, retain and promote minority police officers so that the racial and ethnic diversity of such unit is representative of such community" and cites police athletic leagues and explorers programs as examples.

These funds will be utilized for repairs, maintenance, cleaning supplies, PPE and other related items for our facility at Wintergreen Avenue. The indoor range requires maintenance at various intervals. NHPD has worked with Engineering to establish an annual maintenance schedule that includes HVAC maintenance, re-commissioning, and backstop cleaning. Examples of items needed to keep the indoor range clean and users protected include, but are not limited to, bag filters, HEPA filters, vacuums, vacuum filters and liners, Tyvek suits, nitrile gloves, masks and a variety of specialized soaps and detergents for lead removal.

An increase in funding for this line is requested to cover the increased cost of the backstop cleaning of the indoor firing range. The vendor used for this cleaning in FY 20 and FY 21 has retired. All other vendors NHPD reached out to charged approximately \$10,000 more for the service. This pricing difference is due to the cleaning process. The FY 20 & FY 21 vendor did much of the work by hand, whereas all other vendors we found in the industry to quote use specialized machinery. In FY 22 NHPD reached out to vendors nationwide for quotes and also reached out to local indoor ranges to see what vendors they used. While the cost increase for the service is significant from what we paid in the past, it appears to be the standard price for the service. The requested funding increase is also expected to cover the rising costs of items and shipping that have been seen as a result of the pandemic.

There is a need for various types of consumable materials such as fingerprint powders, inks, chemicals, reagents for blood development, gunshot residue collection kits and presumptive blood and semen testers, as well as other materials needed for use in the laboratory. This also includes packaging materials to collect and preserve the chain of custody for evidentiary items and protective clothing to be worn in major crime scenes and any other necessary equipment. We are requesting for the purchase of these supplies and also film developing costs.

There is an on-going effort to replace old outdated photographic equipment with newer digital photographic equipment to include digital video cameras with greater mega pixel technology and the use of DVD recording instead of tapes.

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

This account is used to cover overtime expenses incurred throughout the fiscal year which is mandated by Union contracts and FLSA standards for both sworn and civilian personnel. The main drivers of Police overtime have been staff shortages, and incident response and investigation.

State and federal mandates, and laws also impact Police overtime. For example, TSA regulations require that NHPD provide officers for checkpoints at Tweed now that the airport has expanded and it is expected that the state of CT will soon require NHPD personnel to perform fingerprinting duties that are currently being performed by a 3rd party vendor. Public Act 20-1 An Act Concerning Police Accountability has and will continue to impact overtime. Staff needs to spend significant time ensuring NHPD is in compliance with all requirements, including but not limited to, CALEA certification, policy updates, recruitment efforts, etc. where not only will overtime be incurred directly for these tasks, but backfill overtime will also be needed to cover shifts that would have been covered by the officers completing these additional or increased duties. At least in the short-term, there will be an increase in training hours, which will further impact staff shortage overtime. With the expansion of FOIA-able documents and additional camera requirements, FOIA requests will increase along with the cost of fulfilling those requests.

As of October 2021, NHPD has 323 sworn members compared to 347 in October 2020, 358 in October 2019 and 409 in October 2018. Realistically, the Police Department could lose another 20 to retirements and resignations by July 1, 2022. As predicted last year, the significant decrease in sworn staff members from FY 19 to FY 21 directly impacted overtime. Looking at FY 22 compared to FY 21 the PD is down 24 sworn staff, and fully funded sworn positions have been cut to 391. If funding to those cut positions is not restored in FY 22, then even if the PD were able to fill all the fully budgeted positions, there would still be 18 less sworn personnel than in FY 2019.

The FY 23 overtime request is based on the FY 22 average with a 5% increase to account for the additional staff shortage anticipated for FY 23. Although the Police Department will be hiring 20-30 recruits in December 2021 and hopes to have another class hired by the end of FY 22, it

The NHPD Detention Center requires adequate coverage 24/7/365 for officer and arestee safety. Detention is a subdivision of Patrol. Due to the current staff shortage, there is a constant need to hire for overtime to meet what the department has determined to be minimum staffing levels. In accordance with NHPD's community policing philosophy, the vacant Detention shifts are usually the first to be hired for, in an effort to keep officers in their assigned districts where they are familiar with the area and residents.

 Police Union Elm City Local requires that members be issued uniforms and equipment annually in predetermined quantities, as well as the Motorcycle, K-9 and Bicycle Patrol. In addition, the Department is obligated to provide specialized uniforms and safety equipment to the four branches of the Emergency Services Unit, the Arson Squad, and Local 71 employees of the Vehicle Maintenance Unit, Building Maintenance Unit and the Animal Shelter. For both the officers' and public's safety it is important that officers be outfitted in uniforms that clearly identify them as police officers along with their rank and specialty. These uniforms must be of a quality to withstand the use from the officers and all equipment they carry with them.

Enter below, a detailed justification for this line item budget proposal.

Despite the advent of valuable audio-visual (including interactive disk) technology, the printed word is still a major resource for municipal police educators. The Division of Training and Education develops, writes and needs printed a wide variety of materials for all its programs and projects. For the entry level recruit academy, we need training manuals and general orders printed and bound. For academy graduation programs, academic achievement awards and plaques and diplomas are necessary. Promotional examinations require the compiling, printing and binding of large booklets of suggested reading materials. The yearly in-service training program is based on printed materials devised and collected by the training staff and all adjunct faculty and are provided to each officer. Educational seminars, conferences and events are open to the department and community members alike; printed conference materials and press packets for participants and speakers are a key component of the educational experience.

Also large amounts of printing will continue to be done in the Department's printing shop.

Our Police Officers make extensive use of the flyers, brochures ,etc. on crime prevention, as well as providing tips on public safety, how to avoid becoming a victim of a crime, auto theft prevention, block watch, children's safety and personal safety for senior citizens. In addition, we produce a weekly bulletin and crime statistics which are sent out to hundreds of people. Funds are requested to purchase in-house printing and duplicating materials such as ink, paper for fliers and brochures, special notice forms etc..

The Department currently possesses approximately twenty five copy machines within various units. All machines are heavily utilized due to the General Orders, Resource Manuals, as well as extensive paperwork associated with an operation that records all its activities and disseminates such data to the courts and other interested parties. While the department possesses its own printing press and prints the vast majority of forms and documents, the price of paper, ink/printer cartridges and chemicals continues to escalate. Also, each substation is equipped with a copier supplies.

The Department also possesses a printing press with which the agency prints the vast majority of forms utilized. At times, this press however cannot produce all the documents and some multi-page forms. These unique forms must be printed by outside vendors. In addition, arrests are causing a larger demand on all forms and evidence envelopes. Funds requested in this line item permit the acquisition

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

Our police vehicles are in a 24-hour/ 7-day application and are subjected to the greatest risk of damage through accidents. The department is very aggressive in seeking to minimize at-fault accidents and in recovering payment for such damages. But in many cases the damage is not covered by liability insurance because the offending vehicle is either uninsured or under insured. Therefore the department is left with repairing the vehicle. In the event the vehicle damage is substantial and requires the frame to be straightened. We also have to solicit for those services from an auto body vendor and then complete any remaining repairs in-house. Additionally auto glass repairs, and flat tire road service are also done for vehicles. Periodic increases in the cost of replacement parts and services, as well as expansion of the fleet are major causes for increases in this budget.

Our fleet consists of passenger cars, light and medium duty trucks, Emergency Service vehicles and motorcycles of various makes and models. Preventive maintenance is performed on all vehicles at 2,500-mile odometer intervals excluding our motorcycles, which occur every 1,000 miles. An important factor is that we are also adding more vehicles to the fleet each year. Another important point to consider is that these vehicles have extended idle time, especially with the patrol cars. Historically the average accumulation adds approximately 2/3 more odometer miles to a vehicle. Adequate preventive maintenance is the key to enhancing safety and longevity of service to the city.

These funds purchase among various items such as: tires, brakes, filters, ignition parts, steering and suspension components, cooling system and other related items. The evolution to computerized engine and body controls, anti-lock braking systems, air bags, and passive restraints has helped to significantly reduce accident related injury. However, the cost to repair vehicles has increased because of this technology. We are told to expect annual price increases of 3 to 5 percent making, but we are continually seeking the lowest possible prices from vendors. However, since the onset of the pandemic prices have increased significantly. There is also a shortage of new vehicles available, which means our existing fleet will need to be maintained longer.

In maintaining our fleet, some specialty shop tools and equipment are also required and periodically need replacement.

OSHA related safety items are also purchased for our staff, which includes; breathing apparatus, filters, safety goggles, fire extinguishers etc.... Items requested should be replaced yearly.

Connecticut State Law requires that the Animal Shelter advertise all dogs impounded at the Shelter.

Currently, Hearst Media does not charge for most of these required advertisements. However, the New Haven Register frequently changes ownership and the PD would like to keep money in the line in case the publication does start charging the Animal Shelter for all advertisements and also to cover bid/RFP advertisement costs.

Veterinary services for the NHPD police K-9s. NHPD expects to have 11 Police K-9s during FY 2022-2023. However, at this time, it is expected that special funds will cover the vet expenses for 4 of the 11 K-9s. The veterinary services for the remaining 7 K-9s will be paid from this budget line. One of these 7 K-9s has a known chronic condition that requires specialty care when the condition flares up.

From FY 16 to early FY 20, NHPD was able to find a veterinarian that offered significantly reduced rates compared to other service providers. However, the business was sold during FY 20 and NHPD was unable to find similar pricing.

Police K-9s provide crucial assistance to officers on a daily basis and increase both public and officer safety. The NHPD K-9s are highly trained in tracking and detection. These skills are used to locate missing persons, suspects, barricaded individuals, evidence and contraband.

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

Previously budgeted under 12011010-56694, funds are mostly being requested for expenses associated with recruitment and Recruit training.

Because of the numerous vacancies due to retirements and resignations, NHPD often sends recruits to outside academies for basic recruit training, in addition to conducting in-house academy classes of approximately 20-30 recruits. The State of CT POST Academy is currently charging a fee of \$3,800.00 per recruit.

The Department is requesting funding for the costs associated with recruiting police recruits. Normal attrition and retirements during the fiscal year makes it necessary to continue the recruiting process in the coming year. These funds will allow for multi-media advertisements and promotions in the area, as well as other necessary services such as psychological and polygraph testing, etc. We are estimating that the cost of the testing process will be:

Psychological testing per applicant: \$425

Polygraph testing per applicant: \$295

An attorney consultant group is needed to provide training classes for our new hires: Police Training Academy Cadets (approx. \$30,000 per class)

EMR instruction

Although funds have been requested in this line primarily for recruitment, it is likely that other department expenses will need to be deducted from this line as we as we transition Central Services from Administration.

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

Effective FY 21, the City is moving the Police Rolling Stock from Capital Funds to General Funds.

The Police Department needs to continue purchasing Police vehicles to replace older vehicles and for any other equipment/accessories, etc. needed to outfit the vehicles. The 24/7/365 operation places a very heavy demand on all our Police vehicles and our officers need to be able to respond to these calls in a safe vehicle.

The Rolling Stock funds requested for Fiscal Year 2021-2022 are for the Department to continue to replace aging vehicles. There is a lot of wear and tear on Police vehicles and a benefit to replacing the vehicles on a reasonable schedule is increased officer and public safety. The Police Department and CAO's office established a replacement cycle of 3 years for a patrol car. In order to adhere to that schedule, 15 patrol cars are budgeted in the request. The Department is also looking to purchase admin cars at a rate of 5 per year. The Fleet also has specialty vehicles, which are due for replacement as funds become available and prioritized by the Chief.

15 Patrol Cars x \$30,000 = \$450,000 5 Admin Cars x \$20,000 = \$100,000 2 Specialty Vehicles x \$50,000 = \$100,000

Whenever practical the PD looks to purchase used vehicles, particularly when it comes to admin cars and specialty vehicles.

Funds are required to allow the Fire Marshal and members of thier staff to attend programs of continuing education that are mandated by provisions of the Connecticut General Statutes. These programs include the annual seminar of the Connecticut Fire Marshal's Association, training programs offered by the Connecticut Chapter of the International Association of Arson Investigators, as well as meetings and training programs offered by the National Fire Protection Association. The purpose of attending such programs is to allow the Fire Marshal and thier staff to remain current on the codes and standards, which they enforce.

Funds are required to purchase tools and other equipment used to make repairs to fire apparatus and rolling stock. This is specialized equipment with long term cost savings of performing the work in house to avoid sending vehicles to a vendor.

The increase is based upon increased supply chain issues. This has resulted in long lead times for repairs and for newer vehicles to arrive.

These funds are required to purchase lubricants, anti-freeze, grease, oil tires, tubes, spark plugs, carburetors, brakes, batteries and all other parts and accessories needed to repair and maintain department vehicles and apparatus. Also, as fleet ages, the need for more frequent and more extensive repairs increases. Body work and repairs and are performed by our vehicle maintenance staff to avoid sending the work out to a third party.

Costs related to repairs have increased signifcantly post pandemic.

These funds are required for chemicals used in the Department's repair shop and on fire apparatus and emergency units. Among these chemicals are oxygen for the response units, dry chemical, acetylene, propane, DEF, tool fuel and nitrogen.

In addition, funds are needed to supply the Department with light bulbs, faucet replacements, circulators, parts to repair plumbing and heating systems, lumber and paint for repairing and painting interiors and exteriors, repairs to outsides of structures, repairs to power equipment, water heater replacements, glass, maintenance supplies, etc.

Apparatus lifts require annual inspections and maintenance according to OSHA adding to costs.

This funding is required for repairs and maintenance to vehicles and apparatus including specialized repairs which must be completed by outside vendors because they cannot be done in our shop. Examples of such repairs include: Certain engine repairs, front end alignments, radiator welding repairs, rebuilding of starters, carburetors, water pumps, transmissions, motors, brakes, alternators, outside welding, etc. The increasing sophistication of fire apparatus makes the use of outside vendors more frequent and costly. These funds are also used to complete the OSHA mandated service test of the Department's aerial, hose and pump apparatus.

Funding is also required for stove and refrigerator replacements, miscellaneous overhead door repairs, filter replacements, heating system repairs, electrical parts for repairs, maintenance supplies, generator repairs, etc.

Pursuant to provisions of the collective bargaining agreement between the City and New Haven Firefighters, Local 825, vacant positions are filled on an "acting" basis, per Article XI. In addition, the contract calls for extra hourly pay for firefighters working in the capacity of Paramedic, EMT, and HMT (Hazardous Materials Technician), per Article XXX of the Local 825 collective bargaining agreement.

Environmental staff conduct mandatory inspections of itinerant vendors during evening and weekend events, such as Yale Bowl games, street festivals, and concerts on the green. Environmental staff monitor evening and weekend events to ensure there are no unlicensed food service operators for the safety of the residents attending the events. Environmental staff conduct required inspections for temporary food service and catering licenses. Many of these events, such as weddings, operate on the weekends or after 5:00 p.m. If these inspections are not conducted during nonnormal work hours, these types of facilities and vendors go unlicensed and uninspected, which could endanger the health of the public. These activities are required by state statute and local city ordinances.

Nursing staff may be required to stay beyond their normal working hours to monitor and care for a sick child who is waiting for his/her parent/guardian to pick them up.

Health Department Staff may also be asked to work extra hours in response to perform additional work to complete required reports, to ensure compliance with regulatory measures, and in

Funds are requested for an ongoing larvacide program for West Nile Virus and other mosquito borne diseases. These funds will be used to purchase the larvacide to protect New Haven residents in high risk areas of the City. State Statute Chapter 368e, Sec. 19a-213. outlines the Department's responsibility to address mosquito-breeding places. It states "When it has been brought to the attention of a director of health or board of health that rain water barrels, tin cans, bottles or other receptacles or pools near human habitations are breeding mosquitoes, such director of health or board of health shall investigate and cause any such breeding places to be abolished, screened or treated in such manner as to prevent the breeding of mosquitoes. The director of health, or any inspector or agent employed by him, may enter any premises in the performance of his duties under this section." Since FY 19-20 the price of the tablets has increased about 1% a year.

Funds are requested to provide for environmental supplies, tools, pool analysis supplies and equipment. These materials are necessary for Environmental Health to be properly equipped to deal with events concerning public swimming pools, bathing areas and general environmental health issues. Supplies such as thermometers, dishwasher test kits in addition to pool testing supplies are to be purchased.

Funds are requested for callibration of devices used for measuring the intensity of noise, music and other sounds. The sound level meters are used by Police and Health Department staff. The meters must be callibrated annualy to ensure accuracy of measurements.

Lab Coats are needed for the Public Health Nurses and Health Department Clinic as Personal Protective Equipment (PPE). This is required by OSHA for protection against blood borne pathogens. This provision is also stated in the Local 884 Union Contract. New Public Health Nurses will require lab coats and current Public Health Nurses may require replacements due to normal wear and tear associated with their work.

The Occupational Safety and Health Administration (OSHA) requires that employers protect employees from workplace hazards that can cause injury or illness. Controlling a hazard at its source is the best way to protect workers. However, when engineering, work practice and administrative controls are not feasible or do not provide sufficient protection, employers must provide personal protective equipment (PPE) to employees and ensure its use. PPE is equipment worn to minimize exposure to a variety of hazards. Examples include items such as gloves, foot and eye protection, protective hearing protection (earplugs, muffs), hard hats and respirators. On May 15, 2008, a new OSHA rule about employer payment for PPE went into effect. With few exceptions, OSHA now requires employers to pay for personal protective equipment used to comply with OSHA standards. The final rule does not create new requirements regarding what PPE employers must provide. The standard makes clear that employers cannot require workers to provide their own PPE. Examples of PPE that employers must pay for include, Metatarsal foot protection, Rubber boots with steel toes, Non-prescription eye protection, Prescription evewear inserts/lenses for full face respirators, Goggles and face shields, Hard hats, Hearing protection.

Funds are requested for basic health care supplies to stock the public and non-public school health rooms (53 school sites) where nursing staff provide injured and ill school-age children with nursing care. The supplies include: Epi-pens (provided for all 53 school health offices), gloves, Band-Aids, alcohol, Betadine, tongue depressors, and medicine cups needed to provide day-to-day care to the student population.

To comply with the state statutues and implement the proposed reimbursements for hearing screenings, funds are requested to purchase ear thermomethers for classrooms. In addition, vision charts are needed to perform mandatory vision screenings. Funds are requested for the Bureau of Nursing for routine maintenance and upkeep of sygmomanometers, hemoglobin meters, and other medical equipment during the year.

Funds are requested for medical supplies, including vaccines, used in the Sexually Transmitted Diseases Clinic, The Immunizations Clinic, and PPD Tuberculin Skin Testing Clinic.

Funds are requested for the purchase of materials and supplies for the performance of testing procedures by the clinicians in the

Physician and School Medical Advisor. Both positions are employed through contractual agreements which renew annually.

The Preventive Medicine Clinic Physician provides direct service in the Clinic, which includes adult immunizations, STD screening and testing, etc.:

1 Preventive Medicine Clinic Physician (\$55,295 per year; this position is partially supported by Special Funds)

Connecticut General Statutes require that a qualified pediatrician serve as School Medical Advisor. The Physician is contracted on a part-time basis:

1 School Medical Advisor (\$48,000 per year)

Funds are requested for marketing services to promote Health Department programs

Funds are requested for an outside contractor to dispose of the Department's medical waste as established by the United States Environmental Protection Agency. The cost is determined by the amount of waste generated weekly and the n20umber of times the waste is picked up each month. This is required to be in compliance with the Department's bloodborne pathogen policy. Cost has increased due to current pandemic and volume of vaccine clinics.

Funds are requested for shredding services for the secure disposal of Health Department medical and other records. Cost has increased in preparation of Department move to a new location and digitizing of records. Paper copies of digitized records must be disposed of in a secure manner. The HIPAA Privacy Rule requires that covered entities apply appropriate administrative, technical, and physical safeguards to protect the privacy of PHI, in any form, including in connection with the disposal of such information. See 45 CFR 164.530(c).

Funds are requested to pay for 1/3 of Everbridge Critical Event Management System annual costs. The cost is divided between Emergency Management/CAO, PUblic Safety Communications and Health Department at \$11,237.11 each.

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

This is the total of the amount that we pay in order to provide space for the Dixwell-Newhallville Senior Center at the New Q-house and for the East Shore Senior Center. Senior centers continue to provide a vital link to the community, to health and wellness, and to public benefits. They are a valued base from which the City and partner agencies deliver services not only to those who use them on a daily or weekly basis, but to many more who stop in to obtain a particular benefit. Each of our remaining senior centers are culturally strong and different. Each is reflective of the neighborhood community in which it is based. Atwater serves a mix that is about a third African American, a third Latino, and a third white ethnic---Italian, Polish, etc. Dixwell-Newhallville is predominantly African American. East Shore is predominantly Italian. While they are not at capacity every day of the week, there is no one senior center that could accomodate all of the activities of the other two. New Haven needs such centers for convenient sites for mandated State programs like the Rent Rebate Program, City and State tax credits, adult exercise, arts and recreation programs, club activity, nutritious daily meals and to enable people to apply for public benefits. Exploration of other sites in the Dixwell-Newhallville and East Shore neighborhoods has yielded nothing suitable. This new fiscal year 2022-2023 will bring the New Q-house that will house on the second floor The Dixwell/Newhallville Senior

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

Contract for janitorial services with GreenLife Janitorial LLC at Atwater Senior Center and East Shore Centers receive cleaning services daily. Dixwell/Newhallvile Senior Center is located at the New Qhouse janitorial services continue with new company under Engeeniring Department dollars are use also for that purpose. The Philip Marett Fund applications, mobile meals distribution, mobile pantry distribution, diapers for seniors distributions, personal items to help seniors keeky hygiene and safe and healthy during Covid 19 and case management via telephone. The contract provides for daily cleaning of 3 senior centers with additional cleaning on a regular cycle, such as waxing floors. The contractor also must supply trash bags, disposable paper towels and dispensers, etc. We anticipate a increase 2022-23 required by the City's living wage ordinance. Extermination services are needed at Atwater and The City has to have the fire extinguishers serviced each year. Increase of contract due to larger space at the new Qhouse site.

We must pay for passes to the Fantasy of Lights each year.

The City is required to keep copies of Rent Rebate documentation obtained from clients for 3 years, and for Farmers' Market Coupons for two years. At the end of that time it is necessary to ask for permission to shread from the State. Infroshred is the commercial shredding company used by the City.

Lifeguard expenses for senior summer swims and a fishing tournament;

Miscellaneous costs such as extra cleaning, extermination, etc.;

Other items included but not limited to:

The Commission on Aging of the City has recommended that the City needs to create a strategic plan for the next ten years for services to the elderly and their caregivers in light of the expected rise in the numbers of older adults.

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

Funds will be used to support New Haven's Americans with Disabilities Act (ADA) compliance programs, and to meet ADA reasonable accommodation and effective communication obligations to the public as well as City employees. Such accommodations include but are not limited to sign language interpreter services, computer software, Braille materials, materials converted to alternate formats, advertising of legal notices, readers, specialized furniture or office equipment and rehabilitation engineering services. Disability Services will also have costs associated with utilizing an external sign language interpretation service. ADA compliance activities include, but are not limited to, in-service training and production of training materials, training of trainers, surveys conducted by department staff, ADA research for other City departments, etc.

This line item varies widely from year to year based on the needs of City employees with disabilities, specific accommodation requests made by the public and equipment and services acquired based on those requests. This line item is also utilized for payment of costs associated with Sprint services, materials needed by the department, support for the Commission on Disabilities, mileage reimbursement and professional fees for programs sponsored by the Department.

The 2022-23 budget request for this line item is increased by \$25,000 to enable the City to meet its effective communication obligations under Title II of the ADA by providing sign language interpreters at City sponsored press conferences and events. The current lack of sign language interpreter services denies effective communication for people who are deaf and some who are hard of hearing and use sign language as a method of communication. Lack of effective communication is considered discrimination and a violation of the ADA. Considering the cost of

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

To attend professional Community Services meetings as opportunities present themselves, or mandatory to support department goals/objectives throughout the Fiscal Year. Such as National League of Cities, Financial Empowerment & Initiative Conferences, Prison Re-Entry and Youth Violence Prevention Seminars and Conferences to name a few, as well as service training for staff to assist community needs. CSA staff has become even more customer services winthin the last year, where staff training has become more important.

Increase due to expected having more virtual seminars, as society gets back to normalcy.

Training for Community Services Administration staff. To provide excellent public service, CSA staff need to improve on their skills and learn innovative and more efficient ways to serve our residents and customers. This would include the departments of: Elderly Services, Fresh Start; as well as CSA staff (Transformation, Financial Empowerment, Homeless, and general staff).

Crisis Response Team and Re-entry. The City of New Haven is seeking to implement a mobile crisis intervention program, which will be integrated into the 911 dispatch as a frontline response to emergency calls. The New Haven Community Crisis Response Team aims to provide a more holistic approach to first responses by deploying staff appropriately qualified to address non-criminal crises and will be integrated into the city's social service landscape by providing direct access to a continuum of care through referral networks with city programs and non-profits. Mobile crisis intervention programs, like Crisis Assistance Helping Out On The Streets (CAHOOTS) in Eugene, Oregon, have proven to be an effective and cost-efficient solution since 1989.

The funding would also suppliment funding located in Admin (56694) in conjunction with the Crisis response efforts. Prison Re-Entry services for New HAven Residents. New Haven residents returning from prisons back to the city have many unaddressed needs, the most immediate are tangible resources that assist them on their road to independence and successfully transitioning back into the community. The funds identified are to support the city administration in the purchasing of City ID cards, birth certificates, driver's licenses, bus vouchers and emergency occurrences that are frequently the need of our re-entry population.

This funding would cover planning, capacity building and implementation of the PILOT program

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

Was previously budgeted under CSA FY 22 and prior.

Contracts with homeless services providers for YOUTH, includes outreach, prevention, case management, links to shelter/ housing and drop in center support Services. The target population is homeless youth, under the age of 25, and youth at high/imminent risk for homelessness. Providers may address youth housing, education, employment and health/mental health needs.

GOALS:

1. Prevent and/or divert youth from homelessness whenever possible;

2. Improve coordination of services and opportunities for homeless youth; and

3. Expand the community's capacity to serve more youth who are homeless or at imminent risk of homelessness.

OBJECTIVES:

1. Increase awareness and utilization of services for homeless and at-risk youth through the provision of street outreach services and community education forums.

2. Provide emergency supports to stabilize youth in crisis and provide linkages to shelter/ housing as well as case management.

SERVICES TO BE PROVIDED

Providers may provide outreach and engagement, diversion, case management and clinical screening for homeless youth and youth at imminent risk of homelessness along with links to housing resources.

Providers may address urgent needs like emergency food, clothing and personal hygiene items; laundry and shower facilities and bus tokens to assist with transportation.

Crisis Response Team and Re-entry. The City of New Haven is seeking to implement a mobile crisis intervention program, which will be integrated into the 911 dispatch as a frontline response to emergency calls. The New Haven Community Crisis Response Team aims to provide a more holistic approach to first responses by deploying staff appropriately qualified to address non-criminal crises and will be integrated into the city's social service landscape by providing direct access to a continuum of care through referral networks with city programs and non-profits. Mobile crisis intervention programs, like Crisis Assistance Helping Out On The Streets (CAHOOTS) in Eugene, Oregon, have proven to be an effective and costefficient solution since 1989.

The funding would also supplement funding located in Admin (56694) in conjunction with the Crisis response efforts. Prison Re-Entry services for New Haven Residents. New Haven residents returning from prisons back to the city have many unaddressed needs, the most immediate are tangible resources that assist them on their road to independence and successfully transitioning back into the community. The funds identified are to develop and support reentry services.

The Connecticut General State Statues, Section 45-12, provides that the "expense of record" books and supplies which the judge deems necessary shall be paid upon his order by the town or towns composing the district in proportion to their grand list last perfected. New Haven's Probate Court District consists of New Haven since Woodbridge became a separate probate district in 1987. These funds are paid directly to the New Haven District Probate Court in satisfaction of this portion of the statute.

The New Haven Democracy Fund, utilizing appropriations from the Board of Aldermen and citizens' contributions, provides public matching funds and public financing grants to Mayoral candidates who voluntarily agree to abide by certain restrictions and limitations on how campaign funds are raised and spent.

The purpose of the Democracy Fund is to ensure that all citizens of the City of New Haven have a fair and meaningful opportunity to participate in the election of their Mayor.The Democracy Fund is overseen by a seven-member volunteer board. A Democracy Fund Administrator is responsible for the day-to-day operation of the Democracy Fund.

The Democracy Fund provides public matching funds up to \$125,000.00 and a public financing grant of \$19,000.00 for both the primary elections and the general election. A candidate's contribution of his or her own personal funds is limited to no more than \$19,000.00 per primary or general election.

City of New Haven partnership with NH Works to implement the region's jobs pipeline. What began as a collaborative project among government, business, labor, and the community in January 2012 has become a reality for hundreds of New Haven citizens: an organization that residents can turn to for assistance in securing good, stable work.

New Haven Works will use funding from the City to provide job placement services, pre-employment screenings, and career planning that is tied to open job opportunities. We will work with city residents to identify, appropriate positions, advocate that their job applications are reviewed by hiring managers, and provide ongoing support that help them succeed once they are hired.

Task force and other expenditures related to the work on affordable housing for City of New Haven. Funds will be used to assist in the development of housing for prospective New Haven residents who meet income eligibility requirements and other guidelines, and the development of other properties that will be open to all New Haven residents needing affordable housing. This is a formally proposed the creation of a permanent Affordable Housing Commission charged with studying and issuing policy recommendations around affordable housing in the city. The new 15person body would include four members with lived experience as tenants of affordable housing, and seven members who are subject experts, community organizers, and/or developers. Board of Alders leadership has formally proposed the creation of a permanent Affordable Housing Commission charged with studying and issuing policy recommendations around affordable housing in the city. The new 15person body would include four members with lived experience as tenants of affordable housing, and seven members who are subject experts, community organizers, and/or developers. Funding will be used for commission and commission expenses in conjunction or matching with other LCI general fund and special fund programs related to Affordable Housing, studies, cost, or commissions.

Funds will be used for supplies, advertisments, meetings, consultant(s), personnel expenses, or any other necessary expenditurers related to the Affordable Housing Task Force

Requested	funds suppo	ort purchasi	ng of mater	rials and sup	oplies				

Requested funds support purchasing of materials and supplies utilized in snow combating efforts (sand, salt, anti-icing chemicals). Monies also supports the additional services of snow removal contractors, devices and weather utilized during the winter season. Increase in funding request is a reflection on rising material and service expenditures.

*DPPW's ability to maintain an acceptable level of snow removal services will require the use of additional subcontractors due to manpower shortage.

Overtime is	governed b	v the barga	ining agree	ment by and	d between

Overtime is governed by the bargaining agreement by and between the City of New Haven and Local 3144. The workload for the three public boards and commissions that the department staffs has increased, as has the frequency of meetings, and this requires staff to work over statutory time limits to attend meetings and prepare reports. City Plan Commission meetings have gone from 1 to 2 meetings per month and require at least two Planner II staff to attend site plan review technical meetings and prepare reports. Public hearings and other community meetings are held at night for the convenience of the public.

In addition, Zoning updates and Comprehensive Plan updates require extensive community outreach outside of typical working hours. At the same time planning staff is expected to be available during typical working hours.

increase is due reaching the er	Enter below, a detailed justification for this line item budget proposal. This line item covers standard expenses to repair and maintain parking meters, rental of pavement breakers, drill, compressors and other meter and/or signal repair equipment as needed. The increase is due to normal wear-and-tear of batteries and equipment reaching the end of their lifecycle, as well as the increase in number and age of the credit accepting "smart" meters.

need daily by the Traffic Operations (signal, sign, and meter) divisions. The department uses everyday hardware such as bolts and fasteners, wiring and batteries, all of which are purchased out of this account to install and maintain the traffic signals, pedestrian flashers and signals, all City signage and for the City's nearly 3,000 parking meters. Batteries on the meters must be annually replaced. The department also installs and maintains bus shelters and bike rakes throughout the City. Certain outside contractor and construction services, line painting and sign manufacture are purchased out of this account as well.

Funds will t	be used to p	rovide work	crews with	the union r	equired			

Funds will be used to provide work crews with the union required uniforms. In FY18, TT&P intends to replace worn materials as well as introduce an outer-layer clothing for a clean and professional look in all weather conditions. Though the uniforms must be provided at no cost per union agreements, the expense varies from year to year based on timing of invoices and what clothing is needed to be replaced.

Enter below, a detailed justification for this line item budget proposal.

This line item covers maintenance contracts for signal system, coin counters, department vehicles and the special equipment on them, as well as 42 Middletown Avenue. As the department continues a citywide upgrade of its traffic signal equipment with more contemporary equipment, this line item will be strained to cover expenses associated with the central control center and the in-field controllers. A specific and annual expense from this account is the required service inspection(s) for the department's signal crew trucks. This service is not provided out of the DPW shop, and can only be done at certain locations.

This will be		autima a fau C										

This will be used for overtime for General Fund employees assigned by the department head or division deputies per union contract. During the spring, summer, and fall months, the property maintenance staff is often required to work weekends to secure buildings and clean vacant lots. During the winter months, this staff is often assigned snow removal activities at City owned properties. The Housing Code staff is required to be on call 24 hours for heating and other emergencies that are common during the cold weather months.

Funds will be used to pay registration fees for both required and optional training seminars and sessions. The majority of these funds are to reimburse Housing Code Officials for the quarterly C.A.H.C.E.O. meetings that are required for each officer to remain licensed, and will include any books or literature required to be purchased at these seminars. There are four (4) CAHCEO meetings per fiscal year. An average of 8 officers attend each meeting.

These funds will also provide training for the Project Managers and Neighborhood Specialists that will enhance their efficiency and overall job performance.

Represents City's share of executive management pension contribution per the executive management manual.

Article 18 – Pensions

All Executive Management Employees whose initial hire date into City service is on or after July 1, 2008, all Executive Management Employees and elected officials who are rehired into City service or in the case of elected officials assume office on or after the Effective Date who are not members 12 of CERF or members of the Policemen and Firemen's Pension Plan (the "P&F Plan") at the time of their rehire or assumption of elected office and all Confidential employees whose hire date or rehire date into City service is on or after the Effective Date and who are not members of CERF or P&F (aggregately the "New Hires") shall be covered by Social Security.

In addition, for these employees, the City shall contribute 7.5% of their base pay into a defined contribution plan (the "DC Plan"). The DC Plan shall be established by the Director of Labor Relations in coordination with the Department of Finance, the Department of Human Resources, and the Department of Management and

BUDGET REQUEST JUSTIFICATION

Enter below, a detailed justification for this line item budget proposal.

While the City is self insured, The City must carry various policies for the City and Board of Education. Various poicies including but not limited to insurance consulting, general liability, cyber liability, excess liability, accident and workers compensation, flood insurance, and various other insurance policies.

The insurance vendor(s) and policies are selected based on the Office of Management and Budget, Department of Finance and the City insurance consulting recieving quotes from the insurance Market or renewing existing policies with vendor(s).
