## LCI Board Special Meeting Minutes March 1, 2023 (Via Zoom)

**PRESENT:** Hon. Ernie Santiago, Hon. Richard Furlow, Nadine Horton, Seth Poole,

Michael Pinto (Office of Corporation Counsel), Evan Trachten (LCI staff) **Absent:** Patricia Brett, Taneha Edwards, Arlevia Samuel (Executive Director)

Meeting called to order at 6:03 P.M.

Roll call of Members: Hon. Ernie Santiago, Hon. Richard Furlow Nadine Horton, Seth Poole

Review of LCI Board meeting minutes from January 25, 2023. A motion to approve was made by Nadine Horton, seconded by Alder Furlow, roll call of members was taken, approved unanimously.

## **New Business**

#### 262 Dixwell Avenue

Evan told the Board the City of New Haven proposes to sell this two-family property to Beulah Land Development Corp at market value which is \$245,000. This property is part of the portfolio of properties the City is purchasing (262, 263, 265,and 269 Dixwell Avenue). This sale will complete the simultaneous acquisition and disposition of the properties. The Board of Alders recently approved this proposal. The applicant will rehabilitate the property and maintain the property as an affordable rental with an AMI of 50%-80% for a minimum period of 20-years. Evan noted the last LCI Board meeting suffered a posting notice issue so we are here today holding a special meeting for these items.

The property is currently occupied, and the City doesn't want to be a landlord, so we are planning to sell this property immediately upon taking title. The applicant will not displace the occupants as part of this project, the occupants will have the ability to return to their units after the property is rehabilitated, if they desire to do so. The residents will have the ability to move to 340 Dixwell or a vacant unit within 262 and 263 Dixwell during construction.

Alder Furlow made a motion to approve the disposition of 262 Dixwell Avenue, seconded by Alder Santiago, roll call was taken, approved unanimously.

#### **263 Dixwell Avenue**

Evan told the Board this proposal is very similar to the previous item. The City is proposing to sell this property for fair market value to Beulah Land Development for \$250,000. They will rehabilitate this two-family property as proposed in the previous item with the same terms and conditions. Evan said the occupants will be moved when there is a vacancy. The LDA will allow 18 months

to complete the project. The occupants may be able to move to 340 Dixwell or across the street to 262 Dixwell. Nobody will be displaced. The properties will be completely renovated at the end of this project. Alder Santiago asked to verify the price, Evan said its \$250,000. Alder Furlow noted it would be better to lock-in the AMI and not have such a broad range from 50%-80% AMI. A tighter range would be better. Evan told the Board given that we are selling this property at market value the range is broad, a property at 50% AMI would likely need a subsidy. Alder Furlow said he would support the sale.

# Alder Furlow made a motion to approve the disposition of 262 <u>Dixwell Avenue, seconded by Alder Santiago, roll call was taken, approved</u> unanimously

#### **177 Winthrop Avenue**

Evan told the Board this is a three-family property that will be rehabilitated as a 2-family property. Evan said the sale price for this non-profit is \$2,000 per the guidelines, the cover sheet had a typo listing the price as \$3,000. The applicant Urban Equities Development Corporation is based in the Dwight area and made up of several neighborhood stakeholders. Evan said the City was going to rehabilitate the property but made it available to this non-profit because LCI is focused on project on Winchester Avenue, Grand Avenue, and George Street. The property requires a full rehabilitation. The property is located near the end of Winthrop Avenue by the Route 34 connector. The property must be sold to an owner occupant for a minimum 10-year occupancy period unless a longer period is required due to funding. The rental unit will be deed restricted at 80% AMI for 20 years. Evan said the construction budget is about \$350,000. Evan said the budget seems correct given increased constructions cost and labor costs, paying living wages, and the scope of work.

Alder Santiago asked which ward the property was in? Evan said the property is in Board President Tyisha Walker-Myers' ward. Alder Santiago asked why is the building being reduced to a two-family? Evan said the LCI model is to create an affordable rental unit and a large owner's unit by combining the second and third floors. Evan noted the existing units are small. Alder Furlow commented that it's important to keep as many units as possible. Reducing units is not consistent with the goals of our housing policy. We have updated our legislation over the last few years to permit ADU's and we should not remove units from the City whenever possible, this is part of our legislative agenda. He will support the item because the Alder of the Ward supports it.

Seth Poole made a motion to approve the disposition of 177 Winthrop Avenue for \$2,000, seconded by Nadine Horton, roll call was taken, approved unanimously

.

## **Old Business / Discussion**

Seth opened the discussion portion of the meeting. Nadine asked about adding ADU's as a discussion item at a future meeting to help educate the public and share information on this topic. Evan updated the Board about the status of the new Neighborhood Specialists. Evan said Arlevia sent Human Resources a request to hire new staff. It's in HR's hands now. Evan said he has been helping in several neighborhoods. Evan said staff can respond to any issues, please give him a call if you have any concerns. Seth thanked Evan for his commitment and work in the neighborhoods. Alder Furlow asked about the Neighborhood Specialists, did LCI ask to add new Neighborhood Specialists in the new budget? Evan said he wasn't sure, but there are currently three vacancies: the Hill, Dixwell, and Beaver Hills. Evan said the vacancies are a result to staff leaving as well as a promotion. Alder Furlow asked if there is a problem filling the positions or issues with the salary? Evan said there was a healthy pool of applicants and was unsure of the salary aspect of this situation.

A motion to adjourn was made by Seth, seconded by Alder Santiago, all were in favor, approved unanimously.

Meeting adjourned 6:29 PM

#### PAD MEETING MINUTES February 15, 2023

**PRESENT:** Hon. Gerald M. Antunes, BoA; Hon. Anna Festa, BoA, Steve Fontana, Economic Development; Nate Hougrand, City Plan; Evan Trachten, LCI; Clay Williams,

**Business Development** 

**Absent:** Maurine Villani, Tax Office **Guests:** John Ward, Dean Mack

Public: Abdul-Razak Mohammed Zachariah

### Meeting called to order at 3:08 P.M. Roll Call of Committee members taken

A motion to approve the PAD minutes from January 18, 2023 was made by Clay Williams seconded Alder Antunes, roll call was taken, minutes approved unanimously.

## **New Business**

#### 0 Albia Street MBP (067 0953 00200)

Evan told the committee the City is proposing to sell this sliver lot to the New Haven Port Authority at \$2.00 per square foot. The lot is about 3400 square feet. The parcel will be used for laydown purposes. Alders Antunes asked for the definition of laydown. Evan said goods are unloaded from ships and temporally stored until the items ae picked up and moved. Steve Fontana said laydown uses include temporary storage, construction staging, and truck storage. Alder Antunes asked if the parcel would be taxable, Evan said he believed it would be taxable. Evan noted the lot currently has illegal dumping on site (tires). Evan noted there is a lot of illegal dumping of tires across the City lately. The site is adjacent to the "Colony Hardware Site" and the parcel was not offered to them because it's vacant. The Port Authority owns the adjacent land. The Port Authority will be fencing their site. Alder Festa asked if it would be neat and organized. Evan said the site would be fenced and orderly.

## A motion was made by Clay Williams, seconded by Steve Fontana, roll call was taken, approved unanimously.

#### **144 Columbus Avenue**

Evan told the committee this is a sliver lot sale to Jose Pillco who is an owner occupant. The buyer pays \$0.25 per square foot as an owner occupant, \$1,042.50 is the purchase price. The land will be used for yard area. The sliver lot is a corner lot so it's not possible to develop a house at this location. The property is essentially a buffer strip. The City has done some maintenance, but the owner has also cared for this lot over the years. Alder Antunes said its quite large at 4900 feet. Evan noted the setback for front yard are 17 feet which shrinks the lot, so residential development is not possible. Nate noted the rear yard requirement for develop is 25' and the side yards are 8', so its not a good site for development. Alder Antunes asked a few questions: Can the buyer build a garage? Evan said yes. Nate confirmed a garage was possible. Can the buyer add a curb-cut, Nate said it would require approval from Transportation Traffic and Parking. Will the buyer be required to fix the sidewalk? Evan said no because that is very costly. Alder Festa asked if the owner will be responsible for snow removal? Evan said yes, be believes the owner has been maintaining this area. Steve noted the Google street-view shows the property boarded. Evan said

the property suffered a fire a few months ago and will be rehabilitated in the spring when the insurance is settled.

## A motion was made by Steve Fontana, seconded by Alder Antunes, roll call was taken, approved unanimously.

#### 71 County Street

Evan told the committee the City is proposing to sell this building lot to Beulah Land Development Corp for \$2,000. They will develop a two-family owner-occupied structure. There is will a 10-year minimum occupancy period and the rental unit will be deed restricted at 80% or below for a minimum period of 20-years. Non- profits pay \$1000 per units per the PAD guidelines. The lot is a conforming parcel so it's easy to develop. This site was previously approved for the Elks Lodge, but they purchased a different site. The Alder supports the sale, there is an email in the file. The City will retain 75 County Street which is an adjacent lot. Alder Antunes asked when the construction will begin, Evan said he believes it will begin this summer. No zoning relief will be required. Alder Festa asked if this will be taxable, Evan said yes, although they may be eligible for a reduced assessment because of the deed restricted affordable unit. Alder Festa asked about the size of the apartments, how many bedrooms? Evan said the property is typically 2 or 3 bedrooms on the first floor, and 3 or 4 bedrooms on the second and third floors.

## A motion was made by Alder Antunes, seconded by Alder Festa, roll call was taken, approved unanimously

#### 262 Dixwell Avenue

Evan told the committee we are proposing to sell this two-family property to Beulah Land Development Corp at market value which is \$245,000. The buyer will maintain the property as an affordable rental at 50%-80% AMI for a minimum affordability period of 20-years. The affordability term could be longer based on the funding the applicant may utilize to rehabilitate the structure. The structure is currently occupied. The tenants will be relocated when the property is renovated. The plan is to offer an apartment at 340 Dixwell which is under construction. Alder Festa asked about the timeframe. Evan said this is part of simultaneous acquisition disposition. In the future 340 Dixwell will be completed but Evan isn't sure on the completion date. Evan believes the City would acquire this property in March 2023. Evan noted the other properties from the Ocean Management Portfolio (265 Dixwell Avenue (Monterey), and 269 Dixwell Avenue) will be retained by the City. Alder Festa asked if the properties would be taxable. They properties will be taxable, but they would be eligible for a discount because of the reduced rent. Nate wanted to confirm this is a two-family property, Evan said yes, there are no plans to increase the density

## A motion was made by Alder Antunes, seconded by Clay Williams, roll call was taken, approved unanimously

#### 263 Dixwell Avenue

Evan told the committee we are proposing to sell this 2-family property to Beulah Land Development Corp at market value which is \$250,000. The buyer will maintain the property as an affordable rental at 50%-80% AMI for a minimum affordability period of 20-years. The affordability term could be longer based on the funding the applicant may utilize to rehabilitate the structure. The structure is currently occupied. The tenants will be relocated when the property is renovated.

The plan is to offer an apartment at 340 Dixwell which is under construction. Alder Festa asked about the timeframe. Evan said this is an identical proposal to our last item. This property is also an occupied structure.

A motion was made by Clay Williams, seconded by Alder Antunes, roll call was taken, approved unanimously

#### 572 Winthrop Avenue

Evan said the City is proposing to sell this property as a non-profit sale to Beulah Land Development for \$1,000 because the property is a single family. This property was a "cat house" that LCI acquired via an Anti-blight foreclosure in 2020. LCI was planning to sell this about a year ago but the previous Alder didn't support the sale because he wanted LCI to sell the property to one of the adjacent property owners. The property is blighted and needs immediate attention. There is a hole in the roof but it's salvageable. The lot is narrow and deep. There was a family of racoons living in the property, the City resolved that issue. Evan urged support for this sale. The property will be subject to a 10-year owner occupancy requirement. Nate noted if the property was demolished, the buyer would require Board of Zoning approval to rebuild. Alder Festa asked about why it would need zoning approval if demolished. Nate explained the regulations within the Zoning code. Alder Festa noted this parcel is about the same size as the sliver lot sale at 144 Columbus Avenue. Evan said the Columbus Avenue parcel was a corner lot and that makes a huge difference for development, this parcel is mid-block.

Alder Festa asked why didn't the previous Alder want to sell this property to Beulah? Evan said the previous Alder wanted to sell the property to the adjacent property owners because they had to deal with this property for many years. The LCI Director wanted it to be sold to one of our non-profit partners due to the limited inventory of City owned properties. The current Alder support this sale, there is also a letter of support from the management team. The property will be taxable. The developer will have 6 months to begin construction and 18 months total to complete the project. The buyer will be eligible for an assessment deferral which keeps the current assessment on the property and then phase-in the improvements. Alder Antunes asked why LCI didn't sell this to the neighbors? Evan said LCI feeds properties to local non-profits, also the adjacent owners already were homeowners, and lastly, non-profit sales create new homeowners. Our Director didn't support the sale to the neighbors because of our development goals. Alder Antunes and Alder Festa noted the City should have given the neighbors the opportunity to purchase the property. Evan said historically, LCI would sell City owned properties to local non-profits and surplus the remaining properties and sell them to the public. LCI has extremely limited inventory. Alder Festa asked about the future sale price, would the non-profit make a profit on the sale of the property? Evan said no, the property is sold below market value and the buyer must be income qualified.

A motion was made by Steve Fontana, seconded by Clay Williams, roll call was taken, approved (5-1 Alder Antunes voted no).

#### PAD Guidelines

Evan discussed the status of the PAD Guidelines. Evan said the Development Administrator asked LCI to add one sentence to the Guidelines about the Land Bank. Evan also noted that he sent an email from Cliff in the assessor's office about non-profit sales being taxable. Corporation Counsel is looking into the Urban Homestead Act and will follow up on this topic at our next meeting. Evan would like to leave this item tabled; he is not in a rush to push the guideline through. Alder Festa

asked about tax abatement. Evan noted sliver lot tax abatement are different from property abatements.

#### **Land Bank**

Economic Development Officer Dean Mack made a presentation about the New Haven Land Bank. Currently Dean is doing outreach. The Land Bank proposal will be submitted to the Board of Alders in March as an ordinance proposal. There is \$5 million in ARPA funding allocated for the Land Bank. Dean said a land bank will allow the City to move more quickly on acquisitions, currently our process is lengthy. Dean gave an overview of the steps taken to arrive at this proposal. Dean told the committee about the Hartford Land Bank. Waterbury also has a land bank. The New Haven landscape is different so our land bank will be different. Our land bank will focus on selling to local minority contractors. Dean described the proposed Board of the Land Bank as containing 7 members: 4 City staff as ex-oficio plus 3 members of the public including an Alder appointed by the president of the Board of Alders. Dean reviewed the proposed budget, only 10% of which would go to staff salaries.

Dean gave a timeline, and he hopes the land bank is approved by July 2023. Alder Antunes asked about the Board of Directors structure. Dean said 4 City staff: the Mayor, City Plan Director, LCI Director, Economic Development Administrator would be ex-oficio member, plus 3 others, one of whom would be an Alder, plus two members of the community. Alder Antunes asked, why only one Alder? Dean said this was discussed at Leadership, but he wasn't part of the conversation. Alder Antunes thought more Alder representation was needed. Dean noted there will be a lot of opportunities for feedback. Alder Festa asked a question, how does the land bank take ownership of the properties? John Ward said the goal is for the land bank to acquire properties quickly in the open market. The City will not be the buyer, the land bank is the buyer. The land bank will allow for strategic acquisitions to support development, sales to non-profits, and will be an extension of LCI / Economic Development. Evan said it will allow the City via the land bank to go to foreclosure sales, currently we do not have that ability. Evan said having that ability is essential for development. Dean noted the land bank will likely acquire properties and transfer them back to LCI. Alder Festa asked about how many foreclosure auctions occur in New Haven? Evan said there are a lot of auctions each Saturday, but he doesn't have the exact number. Evan said the local real estate market is moved by investors. The City is a passive bystander. In the future we will be able to participate as a buyer via the land bank.

Evan opened the floor for new discussion items, there were none.

A motion to adjourn was made by Clay Williams, seconded by Steve Fontana, all were in favor.

Meeting Adjourned 4:28 P.M.

**Proposal:** The City of New Haven proposes to dispose of a buildable lot to a local non-profit for the development of owner-occupied affordable housing.

General discussion: The City of New Haven proposes to dispose of a vacant lot at 71 County Street to Beulah Land Development Corp. The applicant will develop a two-family property. The property will be sold to an owner-occupant. This property must be owner occupied for a minimum period of ten (10) years, unless a more extensive period is required by federal law, the Property Acquisition and Disposition Committee (PAD), the Board of Director of Livable City Initiative

(LCI) and / or the Board of Alders o	f the City of New Hav	ven.

<u>Proposal</u>: The City of New Haven Livable City Initiative proposes the disposition of a vacant single-family property to a local non-profit.

General discussion The City of New Haven proposes to dispose of this vacant single-family residential structure to Beulah Land Development Corp. who will rehabilitate this structure and sell it to an owner occupant. This property must be sold to an owner occupant for a combined period not less than (10) years, inclusive of successive ownership, unless a more extensive period is required by federal law, the Property Acquisition and Disposition Committee (PAD), the Board of Director of Livable

City Initiative (LCI) and / or the Board of Alders of the City of New Haven

## 572 Winthrop Avenue

S72 Smrthep Prenue

January 21, 2023

Dear Ms. Samuel and Mr. Trachten,

On behalf of the Whalley-Edgewood-Beaver Hills Community Management Team, I am writing to express our support of the Beulah Land Development Corporation's request to purchase and rehabilitate 572 Winthrop Avenue.

Beulah Land Development Corporation's mission is to rebuild in New Haven's most underserved communities, developing revitalized communities of choice for residents, opening doors to homeownership, creating job opportunities, and fostering economic development. This mission resonates directly with members of our CMT, as we are concerned about the lack of affordable housing in our community, the roadblocks that first-time homebuyers face, and the blight that occurs when homeowners do not have the support needed to maintain their properties. We have seen firsthand the investment Beulah has made in our community with the work they have done at 124 Carmel Street, and we are heartened that they will continue to rehabilitate our neighborhood and create an opportunity for a new homeowner to become a part of our community at 572 Winthrop Avenue.

We wholeheartedly support Beulah's request to purchase this property and are grateful for their work to build affordable housing, develop pathways to homeownership for people in our community, and rehabilitate blighted properties in our neighborhood.

If you have any questions, please feel free to contact me, and thank you for your consideration.

With best wishes,

Rebecca Cramer

Chair, Whalley-Edgewood-Beaver Hills Community Management Team
