Commissioner Ribeiro asked Commissioners Walker and Lawlor if they intended to take them all as one instead of individually. Commissioners Lawlor and Walker responded in the affirmative.

Commissioner Miranda indicated he wanted to state for the record that he has no relations with Candidate Ricardo Miranda. There is only one more Miranda he is related to in this city and it's his brother.

Commissioner Meares thanked Commissioner Miranda for letting them know because it would have been a conflict for Commissioner Miranda to vote in her view.

Commissioner Lawlor indicated he did not think he interviewed all of them, but he thought almost all of them. It's a very impressive group. There are a broad spectrum of backgrounds and cultural backgrounds and experiential backgrounds. They are just an impressive group. Once again, he thought Sergeant Finch has done an awesome job going out and finding these guys and in other cases women.

He wanted to give a special shout-out to Mr. Miranda. In fact he had told him this a few days ago when they interviewed him on short notice on Sunday. As a relatively young

guy, he's a very impressive guy. So I'm happy he's made this group. He is looking forward to seeing all of them progress through the ranks.

Commissioner Ribeiro thanked the interviewers for taking the time out to do the interviews particularly the ones that came in at that last minute and for taking over your weekend. It shows the commitment that you have to this Department, this Board and this process. She wanted to publicly thank the interviewers.

Motion passed unanimously.

Commissioner Ribeiro congratulated everyone and wished them the best of luck for the rest of their journey.
