ORDINANCE

This request comes from the City's Livable City Initiative Bureau (LCI) regarding the disposition of a vacant sliver lot. This is in accordance with Section D(8) of the City's Land Disposition Agreement Guidelines, **"The proposal shall be forwarded in the following sequence for further consideration: 1. PAD (approval required); 2. City Plan Commission (advisory review); and 3. LCI Board of Directors (approval required)."** Accordingly, the Planning Commission may provide an advisory report.

BACKGROUND

The City of New Haven proposes to dispose of the sliver lot at 37 Hallock Street to an owner occupant at the adjacent property 39 Hallock Street. The buyer pays \$0.25 per square foot as an owner occupant, so \$871.50 is the purchase price. The land will be used for additional side yard area and off-street parking. LCI did not offer this lot to the other abutting property owner because they already have a large double lot. This sale will bring the property at 39 Hallock into zoning compliance, currently their property is non-conforming, the house is a three-family property on a narrow lot with 20-foot frontage. The off-street parking is greatly needed on this street especially during street sweeping and snow events. The applicant will be responsible for creating a new curb cut and driveway.

Planning Commission considerations include whether:

- The property is or should be used for municipal purposes.
- The site is not adjacent to a park to create additional park land.
- The property is an interior lot.¹

¹ Interior Lot - "a lot other than a corner lot with only one frontage on a street " (<http://parcelsales.scgov.net/Definitions.aspx>)

- The site could be used as a pocket park or community garden.²
- The comprehensive plan identifies or will identify resources within this area for which this parcel could be used.

PLANNING CONSIDERATIONS:

The proposal will achieve the following Comprehensive Plan Goals:

- Develop land uses that are compatible with the character of the surrounding area.
- **“Continue to use the city’s Land Disposition Agreement (LDA) to advance housing and neighborhood objectives, including appropriate densities, home ownership and contextual design.”**
- **“Use redevelopment and other tools to address nuisance and deterioration issues, including uses that are deleterious to neighborhoods in general.”** (The City’s Comprehensive Plan) – This is a redevelopment tool to keep property from becoming deleterious to the neighborhood.

RECOMMENDATIONS

The Commission makes the following recommendations for the proposed disposition:

- Provide resident open space.
- Enable and encourage the use of yards and shared space for home gardens and residential composting.
- Allow for better stewardship to avoid blight.

ADVICE:

To approve based on this proposal’s alignment with the City’s Comprehensive Plan.
