

THE ELDERLY SERVICES DEPARTMENT

Golden News

*We hope your holidays were filled with laughter & love!
And we are so glad to see you all back in the new year*

As we say farewell to 2023 and
welcome 2024 The Elderly Services
Department would like to thank all
our seniors and community partners
for taking on another year with us!!

May this year be filled with an
abundance of joy and love.

Happy New Year

"We have to try to maintain our courage, our
fearlessness and push through the ignorance of
what men (and some women) put on us. Clearly
things are slanted against us, and we keep
having to push back further and further. And
fortunately, we are capable, and we keep doing
it."

— Queen Latifah

BENCHES, WHERE THE CITY'S PULSE IS FELT

WE CANNOT WAIT

Our goal is to give our seniors and residents of all ages a place they can go to sit, relax and unwind whether you are out taking a stroll around the block, visiting a family member at one of the centers or even just needing a moment to take a seat. We hope this new addition to the communities will not only bring joy but allow you to meet your people along your journey's.

WE THANK YOU!

This project would not have been possible without the partnership of The Department of Community Resilience. With all of their help and dedication to this project we have been able to receive a grant in order to place new benches outside of all three of our Senior Centers.

We also cannot forget to give a great big thank you to AARP, it is with the help of their programs that we were able to receive funding for these benches.
