NEW HAVEN PUBLIC SCHOOLS

Fiscal Year 2020-21

## Education Operating Fund Forecast (General Fund)

Monthly Financial Report (Unaudited) as of November 12, 2020

## Key assumptions to the November 12 forecast:

-In-person instruction resumes January 3 (we recognize this is arbitrary at this point).
-We only receive half of the Magnet School Transportation Grant.
-We annualized the November 13 payroll for the full year.
-Revenue estimates so far are conservative and not fully projected or allocated.

## What's driving the current surplus projection:

-Teacher salaries - wage freeze in 2020-21 in the new contract and hiring diligence since January 2020.
-Vacancies impacting salary expenses for non-instructional full-time positions.

- Substitutes so far look favorable, even with ADA accommodations for certified staff and slight increase in daily rate because of change in minimum wage. - In general, lower spending with buildings not in use.

## SUMMARY OF GRANTS ACCEPTED BY THE CITY <br> FISCAL YEAR 2020-2021 MONTH ENDING; OCTOBER 2020

| Name of Grant/Source | Value | Recipient Department | Date Signed | Description of Grant |
| :---: | :---: | :---: | :---: | :---: |
| No Grants |  |  |  |  |

## Special Fund Expenditure and Revenue Projection Explanation

Please note that expenditure and revenue projections contained in this report are estimates based upon preliminary information received from City Departments and Granting Agencies. Budgets reported for Fiscal Year 2020-2021 may reflect anticipated new awards that have not yet been approved by the funding agency and estimated program income not yet recognized. Funding will become available only after grant agreements have been approved, executed and budget have been entered on the City's financial accounting system, MUNIS.

## Deficit Explanation

The Agencies listed below have significant budget variances that we feel warrant an explanation.

- No deficits are projected.

## Surplus Explanation

- If a large surplus exists in a special fund, it is usually the result of a multi-year award that is partially complete. Multi year awards are based on the completion of a project or for the operation of a particular program that extends beyond the City's fiscal year. Any remaining balances for multiyear awards will available in the following fiscal year or until the grant period has ended.
