Fiscal Year 2019－20<br>Education Operating Fund Forecast（General Fund）<br>Monthly Financial Report（Unaudited）as of January 13， 2020

## Key changes in deficit forecast：

1．Other contractual services dropped with reclassification of some expenses from GF to the grants to which they were originally budgeted．
2．Reduction in outlook on transportation expenses（likely conservative）．
3．These were partially offset by a less favorable outlook for teacher and paraprofessional salaries as vacancies were filled in December．

## Additional mitigation items currently being validated（dollar values are estimates）：

1．Further opportunities to ensure expenses have been correctly coded to their appropriate grants（\＄1．4MM）
2．Further reductions in transportation（\＄1．0MM）
3．Hiring freeze，effective $1 / 1 / 2020$ ，on GF－funded positions that are not essential to school operations（\＄0．6MM）
4．Savings on turnover in certified staff since 7／1／2019（\＄0．4MM）
5．Potential further savings in utilities，subs and overtime，but too early in year to determine value

## SUMMARY OF GRANTS ACCEPTED BY THE CITY <br> FISCAL YEAR 2019-2020 MONTH ENDING; DECEMBER 2019

| Name of Grant/Source | Value | Recipient Department | Date Signed | Description of Grant |
| :---: | :---: | :---: | :---: | :---: |

## Special Fund Expenditure and Revenue Projection Explanation

Please note that expenditure and revenue projections contained in this report are estimates based upon preliminary information received from City Departments and Granting Agencies. Budgets reported for Fiscal Year 2019-2020 may reflect anticipated new awards that have not yet been approved by the funding agency and estimated program income not yet recognized. Funding will become available only after grant agreements have been approved, executed and budget have been entered on the City's financial accounting system, MUNIS.

## Deficit Explanation

The Agencies listed below have significant budget variances that we feel warrant an explanation.

- No deficits are projected.

## Surplus Explanation

- If a large surplus exists in a special fund, it is usually the result of a multi-year award that is partially complete. Multi year awards are based on the completion of a project or for the operation of a particular program that extends beyond the City's fiscal year. Any remaining balances for multiyear awards will available in the following fiscal year or until the grant period has ended.
