

**NOTICE OF ALDERMANIC MEETING
OF
THE CITY OF NEW HAVEN
GREETINGS**

You are hereby required to meet in the Aldermanic Chambers of the City of New Haven on the date and time below.

TUESDAY 19TH DAY JANUARY 2021

At 7:00 PM

Given under my hand this 15TH Day of January 2021

Hon. Justin Elicker
Mayor

The Seal of The City of New Haven

**BOARD OF ALDERS
REGULAR MEETING
JANUARY 19, 2021
AGENDA**

Attendance

Divine Guidance

Approval of The Journal of the January 4, 2021 Board of Alders Meeting

ELECTIONS

- A. Cultural Affairs Commission. One Member. One Year Term.
- B. Parks Commission. Two Members (elected bipartisan). One Year Term.

UNANIMOUS CONSENT

- 1. From the Director of Emergency Management submitting a Resolution of the new haven authorizing the mayor of the city of new haven to submit an application to Federal Emergency Management Agency/AFG to purchase a washer/extractor, for federal funding of \$27,272.72 and to accept such funds if offered and to execute all documents and contracts as necessary.
- 2. Order concerning real property taxes of Raymond Cantey on motor vehicle tax accounts 927104, 57925, 57926,57927, 58114, 58115, and 58116.
- 3. Order concerning real property taxes of Marco Maldonado on motor vehicle tax accounts 89284 and 82106.

COMMUNICATIONS

- 4. From the Mayor submitting a request to approve the appointment of Domingo Medina to the Solid Waste and Recycling Authority Board.
- 5. From the New Haven Community submitting a Resolution committing the City of New Haven to a leadership role in electrifying its buildings and vehicle fleet.
- 6. from the City Budget Director and City Acting Controller submitting Ordinance Amendment to appropriating ordinance #1 authorizing reclassification of general fund positions within the department of Parks/Public Works, Department of Public Health, and Office of Legislative Services and funds in the amount of \$25,000 be transferred from Mayors's office salary account (1-131-1010-50110) to the department of Parks/Public Works (1-504-1010-50110) in the amount of \$11,000 and of Public Health (1-301-1010-50110) in the amount of \$14,000 for fiscal year 2020-21.

FIRST READINGS

- 7. **City Services and Environmental Policy. Favorable.**
 - a. Resolution of the New Haven Board of Alders authorizing the Mayor of the City of New Haven to accept funding of approximately \$100, 000 from the state of Connecticut and to execute encroachment permits, maintenance agreements, and other paperwork for future public artwork in state department underpasses in new haven, in accordance with the 2019 dot public art policy.

**BOARD OF ALDERS
REGULAR MEETING
JANUARY 19, 2021
AGENDA**

- b. Resolution of the new haven board of alders authorizing the mayor of the city of new haven to execute encroachment permits, maintenance agreements, and other paperwork for two existing public murals on state department of transportation underpasses along state street, in accordance with the 2019 dot public art policy.
- c. Resolution of the new haven board of alders authorizing the mayor of the city of new haven to execute encroachment permits, maintenance agreements, and other paperwork for a public mural in the I-91 underpass at the intersection of state street and Bradley Street, in accordance with the 2019 dot public Art Policy.

8. Finance. Favorable.

Ordinance amendment to Appropriating Ordinance # 1 authorizing budget transfer #202-21-1 transferring funds from Expenditure Reserve account in the amount of one million nine hundred thousand dollars (\$1.9m) and one million dollars (\$1.0m) from the Fire Suppression account to the Fire Suppression overtime account.

SECOND READINGS

9. Aldermanic Affairs. Favorable.

- a. Order of the New Haven Board of Alders approving the appointment of Serena Neal Sanjurjo to the Affordable Housing Commission.
- b. Order of the New Haven Board of alders approving the appointment of Rachel Kaufman to the Humane Commission.
- c. Order of the New Haven Board of Alders approving the reappointment of Naomi Campbell to the Regional Water Authority SCC Representative Policy Board.

10. Tax Abatement. Favorable.

- a. Order of the New Haven Board of Alders approving the (deferring collection of) real property taxes due from Joanne Sockwell on her residence for grand lists of 2017, 2018 and 2019.
- b. Order of the New Haven Board of Alders approving the abating (deferring collection of) real property taxes due from Nancy Genn on her residence for Grand List of 2019.
- c. Order of the New Haven Board of Alders approving the abating (deferring collection of) real property taxes due from Bernice Asamoah on her residence for Grand Lists of 2017, 2018, and 2019.

11. Tax Abatement. Leave to Withdraw.

Order of the New Haven Board of Alders 4granting Leave to Withdraw to the communication concerning real property taxes of Arturo Hernandez on his motor vehicle tax account numbers 795503 and 811715.

MAYOR

CITY HALL

SCOTT D. JACKSON
CHIEF ADMINISTRATIVE OFFICER

165 CHURCH ST.
NEW HAVEN, CT 06510
(203) 946-7900
FAX (203) 946-7911

October 30th, 2020

Honorable Tyisha Walker-Myers
President, Board of Alders
165 Church Street
New Haven, CT 06510

Dear President Walker-Myers,

On Behalf of the Office of Emergency Management, I am submitting for your consideration and approval a resolution giving the Mayor of New Haven permission to apply for and accept the 2018 FEMA Assistance for Firefighters Grant (AFG). We respectfully request your honorable board's approval.

Previous Assistance for Firefighters Grants have allowed the City to replace antiquated equipment, such as pumpers and engines, rehab units, and washers and extractors.

With the 2018 Assistance to Firefighters Grant, we hope to receive federal funding of \$27,272.72 to replace an outdated and no longer properly working washer and extractor. This equipment is used to clean and dry firefighter gear in accordance with NFPA.

If awarded, there is a 10% match of \$2,727.72 which will come from the Fire Departments Capital Budget for equipment that is already in the plans to be purchased.

As always feel free to call with any questions or concerns.

Sincerely,

Rick Fontana, Director of Emergency Management

www.cityofnewhaven.com

NEW HAVEN IT ALL HAPPENS HERE

RESOLUTION OF THE BOARD OF ALDERS OF THE CITY OF NEW HAVEN
AUTHORIZING THE MAYOR OF THE CITY OF NEW HAVEN TO SUBMIT AN
APPLICATION TO FEDERAL EMERGENCY MANAGEMENT AGENCY/AFG TO
PURCHASE A WASHER/EXTRACTOR, FOR FEDERAL FUNDING OF \$27,272.72
AND TO ACCEPT SUCH FUNDS IF OFFERED AND TO EXECUTE ALL DOCUMENTS
AND CONTRACTS AS NECESSARY.

WHEREAS, the City of New Haven through its Department of Fire Services is responsible for containing and extinguishing fires for the 20 square miles within the boundaries of the City of New Haven; and

WHEREAS, the FEDERAL EMERGENCY MANAGEMENT AGENCY/AFG offers funds and other resources to communities to aid local departments in fire prevention and response; and

WHEREAS, the Fire Department is requesting funds from FEMA for the purchase of a WASHER/EXTRACTOR which will enable command staff to replace antiquated equipment; and

WHEREAS, the Fire Department is seeking alternate methods of funding and partnerships to alleviate the burden on the taxpayer and;

NOW, THEREFORE BE IT RESOLVED THAT the Board of Aldermen of the City of New Haven support efforts to provide and enhance public safety for its firefighters and its community by ensuring that necessary and up-to-date equipment is put in use whenever possible.

Honorable Board of Alders
City of New Haven
165 Church Street
New Haven, CT 06510

Dear President Walker-Myers:

Pursuant to the authority vested in me by virtue of Section 7-273aa to 7-27300 of the Connecticut General Statute, I hereby submit for your Honorable Board's approval the name of Mr. Domingo Medina of 496 Whitney Avenue, New Haven, Connecticut 06511 for appointment to the Solid Waste and Recycling Authority Board. This appointment would become effective upon your Honorable Board's approval and expire on December 31, 2024.

I thank you for your kind consideration of this matter and ask for your prompt approval of the same.

Very truly yours,

Justin Elicker
Mayor

Copies to: Rebecca Bombero, Deputy Chief Administrative Officer

Honorable Tyisha Walker-Myers
President, New Haven Board of Alders

Dear President Walker Myers

We would like to respectfully submit to the Board of Alders the attached Resolution committing the City of New Haven to a leadership role in electrifying its buildings and vehicle fleet. In 2019, our City declared that the existential threat of climate change merits urgent action. Since then, the COVID-19 pandemic has devastated communities of color, highlighting how health and environmental injustices put our most vulnerable community members most at risk. This is particularly true of issues of respiratory health, like asthma, which afflict New Haven residents at the 11th highest rate in the nation.

Electrification of buildings and vehicles directly addresses the air pollution that causes climate change, respiratory illnesses such as asthma, cancer, and heart disease. Fully electrified buildings will also result in safer living conditions as residents are less exposed to carbon monoxide leaks and fires.

There are also considerable economic advantages to electrification and locally-sourced renewable energy: each year Connecticut spends \$5 billion on fossil fuels that could be redirected into local green jobs and businesses. For the City's budget, electrification will increase the grand list by spurring investments in our electric grid from our largest personal property taxpayer, United Illuminating.

Through continual evaluation of our systems and strategic investments, New Haven can play a leading role in electrifying our buildings and vehicle fleet. These investments can show residents and neighboring municipalities what is possible, while reducing operational costs and harmful pollution.

Therefore we ask that the New Haven Board of Alders please approve the attached New Haven Community Electrification Resolution.

Thank you for your consideration of this resolution on an issue at the intersection of public and environmental health, one that affects all City residents and particularly our most vulnerable,

Sincerely,

New Haven Community Electrification Resolution

Whereas in 2019 New Haven declared that we face an existential climate emergency that threatens our city, region, state, nation, human civilization, and the natural world; and

Whereas the New Haven Board of Alders officially committed to leading an emergency mobilization effort that would work to end community-wide greenhouse gas emissions by or before December 31, 2030, and immediately initiate an effort to safely draw down carbon from the atmosphere; and

Whereas New Haven must take additional measures to decarbonize, transitioning from fossil fuel-powered buildings and transportation vehicles to electric-powered ones; and

Whereas the COVID 19 crisis has highlighted the vulnerability of front-line communities to social, political, and environmental systems that harm respiratory health; and

Whereas New Haven is ranked 11th of 100 US metropolitan cities that are most challenging to live with asthma by Asthma and Allergy Foundation of America in large part because of the burning of fossil fuels; and

Whereas electrification will improve air quality as all-electric buildings will improve indoor air quality and overall health, by eliminating natural gas combustion inside homes that produces harmful indoor air pollution; and

Whereas all-electric transportation vehicles improve outdoor air quality, particularly for residents in urban neighborhoods and for those living near major roads; and

Whereas life expectancy in New Haven is lower than surrounding towns, due in part to poor air quality, which causes respiratory diseases, heart disease and cancer; and

Whereas electrification is widely recognized as a powerful strategy to both combat climate change and address poor air quality in the front-line communities most harmed by climate change; and

Whereas, as a coastal city, New Haven is particularly vulnerable to the devastating consequences of climate change, including more intense storms, flooding and sea-level rise; and

Whereas electrification will reduce noise pollution as electric vehicles produce far less noise than gas-powered vehicles, and noise pollution has been shown to have detrimental effects on human health; and

Whereas Avangrid is a global provider of electricity with a stated goal of achieving carbon neutrality by 2035; and

Whereas its subsidiary United Illuminating is the largest personal property taxpayer in the City and increasing electrification will lead to grid improvements that will increase the grand list; and

Whereas every new building relying on fossil fuel for its heating and cooling will have a negative impact on the climate for decades to come and require additional investments to be retrofitted to electric systems as the climate emergency worsens; and

Whereas 50% of electricity in Connecticut comes from nuclear power and other clean sources and the State has committed to 100% clean electric grid by 2040, electrification will increasingly reduce the carbon footprint of the City of New Haven; and

Whereas electrified buildings provide safer living conditions in that it leads to lower risk of building fires or carbon monoxide leaks; and

Whereas electrification will potentially reduce construction and maintenance costs as all-electric new buildings do not require the installation of gas infrastructure, saves space within buildings, and reduces upkeep costs; and

Whereas electrification will increase social equity as all-electric new construction can reduce housing costs as disadvantaged populations spend a disproportionate amount of their income on energy and are more likely to suffer from asthma due to poor air quality; and

Whereas, unlike fossil fuel whose price is highly connected to uncontrollable natural resources and political issues, electricity has a variety of production which guarantees its steady price; and

Whereas an electric future means New Haven and Connecticut can move towards building a local clean energy industry that will supply all our energy needs, redirecting the \$5 billion Connecticut spends on fossil fuels each year into to local businesses; and

Whereas we learned from the lesson of COVID-19 that we should prepare ourselves from potential crises and risks before damage has already begun; and

Whereas more and more cities have started their implementation of new policies and ordinances for cleaner cities, New Haven, as a city with history of making great innovative policies, should take actions as well; and

Whereas it is clear that the energy system of the future is 100% electric and that the vast transition to electric systems will greatly increase energy efficiency, reduce greenhouse gas emissions, improve public health and increase the quality of life throughout the city; and

Whereas the City of New Haven recognizes the broad benefits of accelerating the transition to electric buildings and transportation throughout the City.

Now Therefore Be It Further Resolved, that the City and Board of Alders commit to working with the State of Connecticut and relevant agencies to encourage a sustainable electric generation portfolio; and

Be It Further Resolved, that the City of New Haven commits to electrifying its own building and transportation systems by December 31, 2030; and

Be It Further Resolved, that the Chief Administrative Officer reports back to the Board of Alders in six months with an analysis of how many City vehicles can be feasibly replaced with electric vehicles over the next two capital planning cycles, including an estimate of the lifetime savings from electrifying light duty and refuse vehicles; and

Be It Further Resolved, that the City Engineer shall develop a schedule for the replacement of all existing heating systems, shall evaluate fully electrifying all new construction and all existing heating systems, and shall report the results of these evaluations back annually to Board of Alders; and

Be It Further Resolved, that the City in consultation with the Board of Education shall work to develop plans to electrify school transportation and school facilities as soon as practically possible; and

Be It Further Resolved, that the City Plan Department will work to update policy, including zoning, to incentivize new construction to shift all-electric construction to the greatest degree possible and will require developers to calculate carbon emissions during the plan review process; and

Be It Further Resolved, that the Livable City Initiative and the Building Department will work with United Illuminating, the Green Bank and other partners to educate building owners of various building electrification incentives and resources; and

Be It Further Resolved, that the Board of Alders encourages the City's state delegation to prioritize passing policies that require and incentivize electrification statewide; and

Be It Further Resolved that the Economic Development Department report back to the Board of Alders in six months with a plan for how to use the coming electrification, energy efficiency and clean energy transition to create local jobs and grow locally owned businesses, giving special priority to historically marginalized communities.

New Haven, CT 06510

RE: Ordinance Amendment to Appropriating Ordinance # 1 of FY 2020-21
Budget Transfer # 137-21-2

Dear Honorable President Walker-Myers:

As required by City Charter and General Code of Ordinances, attached please find Transfer #137-21-2, which is an ordinance amendment to Appropriating Ordinance #1 reclassifying positions adopted in the fiscal year 2020-21 budget and transferring funds from Mayor's Office salary account to the Department of Parks/Public Works and Department of Public Health.

The positions listed in the ordinance amendment are filled positions. As in the past, the positions being reclassified are still within the original bargaining unit of the original positions.

The reclassification of the positions is required by City Charter and General Code of Ordinance. If approved, the positions must follow all normal City process for hiring and civil service rules. All incumbents of the positions are fully aware.

Each change for the listed departments is critical in the support/success of many City public services.

Health Department

Change from Epidemiologist to Program Director of Epidemiology

The position change of Epidemiologist to Program Director of Epidemiology was prompted both by COVID and the ability for the Health Department to provide data on additional public health issues. Supervision is the largest change for the position. The current the current Epidemiology Job Description does not include employee supervision as a task. The existing epidemiologist position worked independently and did not supervise other staff. We

**City of New Haven
Office Of Management and Budget
Justin M. Elicker, Mayor
Michael Gormany, City Budget Director**

are in the process of hiring 5 new positions related to epidemiology and these individuals will need supervision, which will be provided by the Program Director of Epidemiology.

Change from Fiscal Administrative Assistant to Office Manager

The Office Manager will be able to provide supervision and support to the two Account Clerk III positions, as well as assist with preparing the Department's annual budget. The Office Manager will also assist with preparing budget reports for grant funded program and providing general office management support (i.e. ordering office supplies and managing inventory). Previously the Financial Administrative Assistant's work focused solely on budgetary items and did not provide general office management support.

Department of Parks and Public Works

Change from Deputy Director Parks Squares to Deputy Director Parks and Public Works

This is to clarify the role of in the department of the Deputy of Parks/Public Squares. During the merger of Parks and Public Works, the position was supposed to be reclassified to Deputy of Parks and Public Works to oversee both aspects of the new department. Unfortunately, this reclassification was missed during the budget process. This will better define the role of the position and the organization structure of the Department.

Office of Legislative Services

Change from Senior Legislative Assistant to Legislative Assistant

The original job title was based on an agreement with the union. With the vacancy of the position, OLS is requesting to reclassify the position back to the original title of Legislative Assistant. This will be a savings for the department

With the Board's approval of this request, the City Department's requesting position reclassifications anticipate improved communication, services, and efficiency with New Haven's residents, businesses, and contractors.

If you should have any questions, please feel free to contact me at 946-6413. I thank you and hope for your favorable consideration of this item.

Michael Gormany
City Budget Director
City Acting Controller

**ORDINANCE AMENDMENT TO APPROPRIATING ORDINANCE # 1
 AUTHORIZING RECLASSIFICATION OF GENERAL FUND POSITIONS WITHIN
 THE DEPARTMENT OF DEPARTMENT OF PARKS/PUBLIC WORKS,
 DEPARTMENT OF PUBLIC HEALTH, AND OFFICE OF LEGISLATIVE SERVICES
 AND FUNDS IN THE AMOUNT OF \$25,000 BE TRANSFERRED FROM MAYORS'S
 OFFICE SALARY ACCOUNT (1-131-1010-50110) TO THE DEPARTMENT OF
 PARKS/PUBLIC WORKS (1-504-1010-50110)IN THE AMOUNT OF \$11,000 AND
 DEPARTMENT OF PUBLIC HEALTH (1-301-1010-50110) IN THE AMOUNT OF
 \$14,000 FOR FISCAL YEAR 2020-21**

WHEREAS, Article VIII, Section 3 of the City Charter and Section 2-386 of the Code of General Ordinances requires the approval of the Board of Alders to create a position not included in the budget as adopted, or to reclassify an existing and included position; to increase the total annual salary estimate included in an appropriation for any reason; or the transfer of funds within the General Fund Operating Budget as adopted; and

WHEREAS, The Department of Parks/Public Works, Office of Legislative Services, and Department of Public Health are seeking approval to reclassify vacant/filled position(s) within their departments and are requesting Board of Alder Approval to make the following position reclassifications within FY 2020-21 budget:

City Agency	Job Title/Union	FY 21 BOA Allocation	Reclassified Position Title/Union	Estimated Salary	+/- Salary (Savings) / Increase
Legislative Services	Sr. Legislative Assistant (3144)	\$86,922	Legislative Assistant (3144)	\$57,177	(\$29,745)
Health Dept	Epidemiologist (3144)	\$76,502	Program Director Epidemiology (3144)	\$87,923	\$11,421
Health Dept	Fiscal Admin Assistant (3144)	\$57,177	Office Manager (3144)	\$57,177	\$2,155
Parks/PW	Deputy Dire. Parks (3144)	\$92,880	Deputy Dire. Parks/PW (3144)	\$103,389	\$10,509

WHEREAS, Funds for this transfer are available through a vacancy in the Mayor's Office of position 3000, Budget Director and funds from the Mayor's Office salary account will be transferred to The Department of Parks/Public Works and Department of Public Health.

NOW, THEREFORE, BE IT ORDAINED by the New Haven Board of Alders that the reclassification of the positions for The Department of Parks/Public Works, Office of Legislative Services and Department of Public Health be reclassified and funds in the amount of Twenty-Five Thousand Dollars and Zero Cents (\$25,000) be transferred from Mayor's Office salary account (1-131-1010-50110) to The Department of Parks/Public Works (1-504-1010-50110) in the amount of \$14,000 and Department of Public Health (1-130-1010-50110) in the amount of \$11,000
